

News Release

Starvolt Power Inc. Announces Exclusive Agreement with Luoyang Northern EK-CHOR Motorcycle Co.,LTD.

FOR IMMEDIATE RELEASE

Toronto, Ontario, August 16th, 2021 – Advantagewon Oil Corp., (CSE: AOC), (OTC Pink: ANTGF), (the "**Corporation**", or "**AOC**") is pleased to announce that it's investee company, Starvolt Power Inc. ("**Starvolt**"), a developer of technology utilizing flexible solar panels, and state of the art batteries, announced today it had signed an exclusive manufacturing partnership agreement with Luoyang Northern EK-Chor Motorcycle Co., LTD ("**Luoyang**"). This manufacturing partnership is an important step towards Starvolt's expansion in becoming a global leader in providing low-cost energy solutions and Electric Vehicles.

Mr. Carlos Brasil, CEO of AOC stated: "This is a significant milestone for Starvolt. Securing this relationship with Luoyang plays an integral part in the company's growth and sustainable mobility ecosystem. We are excited about what this partnership will offer to business' and consumers alike in the ability to reduce their carbon footprint."

As one of the largest Chinese manufactures of electric cars, motorcycles, scooters, and bicycles, Luoyang brings advanced global production and testing, top tier Research & Development facilities, and first-class management and technical personnel. Luoyang will operate as the exclusive manufacturer for Starvolt-designed Advanced Electric Vehicles.

"We are pleased to have partnered with Starvolt. This agreement gives us the opportunity to expand globally," said Victor Chen Director of Global Business Development at Luoyang. "We can now offer Advanced Electric Vehicle products to a greater variety of consumer markets."

As part of this partnership, Starvolt will launch an innovative line of Advanced Electric Vehicles featuring its solar technology, revolutionizing urban transportation. This exclusive agreement will also include the rebranding of Luoyang's existing line-up of electric cars, motorcycles, scooters, and bicycles, under the Starvolt brand.

Increasing urban pollution has prompted Starvolt Power Inc. to develop a sustainable mobility ecosystem that will offer a complete suite of low-cost electrical vehicle products, and services, including proprietary hybrid on and off grid renewable power supply charging stations, enabling infinite and eco-friendly mobility to business and consumers.
