ABOUT SOURCE ENERGY SERVICES

Source is a fully integrated producer, supplier and distributor of high quality Northern White frac sand primarily to the Western Canadian Sedimentary Basin. Source provides its customers with a full end-to-end solution through its Wisconsin mine assets, processing facilities, unit train capable rail assets, strategically located terminal network and "last mile" logistics capabilities. Source's full service approach allows customers to rely on its logistics capabilities to increase reliability of supply and to ensure the timely delivery of their growing frac sand requirements. In addition to its transload terminal network and in-basin storage capabilities, Source has also developed Sahara, a proprietary wellsite mobile sand storage and handling system.
