

Chemesis International Inc. Provides Corporate Update

December 9, 2019

Vancouver, BC – Chemesis International Inc. (CSE: [CSI](#)) (OTC: [CADME](#)) (FRA: [CWAA](#)) (the “Company” or “Chemesis”), announces, further to its news release dated November 1, 2019, that certain of the cannabis licenses (“**Licenses**”) held by its subsidiary, Natural Ventures PR, LLC (“**Natural Ventures**”), remain subject to the administrative review (“**Review**”) being undertaken by the Puerto Rico Department of Health, and that the Company has now taken the step of instructing its Puerto Rico legal team to apply to the Puerto Rico Superior Court, San Juan, for an order establishing that the Puerto Rico Department of Health’s actions in regard to the Review are not consistent with the legal and regulatory framework applicable to the Licenses (“**Court Application**”). The Company will provide further updates as appropriate.

The Company notes that at the current time the Licenses effectively remain in abeyance, as Natural Ventures is not permitted to carry out any licensed activities under the Licenses, though it is permitted to carry out certain activities for the purposes of preserving and maintaining inventory.

On Behalf of The Board of Directors
Edgar Montero
CEO and Director

About Chemesis International Inc.

Chemesis International Inc. is a vertically integrated U.S. Multi-State operator with International operations in Puerto Rico and Colombia.

The Company focuses on prudent capital allocation to ensure it maintains a first mover advantage as it enters new markets and is committed to differentiate itself by deploying resources in markets with major opportunities. The Company operates a portfolio of brands that cater to a wide community of cannabis consumers, with focus on quality and consistency.

Chemesis has facilities in both Puerto Rico and California. The Company is positioned to win additional licenses in highly competitive merit-based US states and will expand its footprint to ensure it maintains a first mover advantage.
