The Corporation

The Corporation was incorporated under the *Canada Business Corporations Act* on February 15, 2017 and is classified as a Capital Pool Company, as defined in Policy 2.4 of the TSX Venture Exchange (the "Exchange") Corporate Finance Manual. The head office and the registered head office of the Corporation is located at 950 Gladstone Avenue, Suite 200, Ottawa, Ontario, K1Y 3E6.

The principal business of the Corporation is the identification and evaluation of assets or businesses with a view to completing a Qualifying Transaction ("QT"). The Corporation has not commenced operations and has no assets other than cash held in trust and prepaid expenses. The Corporation's continuing operations as intended are dependent upon its ability to identify, evaluate and negotiate an acquisition, or business, or an interest therein. Such an acquisition

will be subject to the approval of the regulatory authorities concerned and, in the case of a non-arm's length transaction, of the majority of the minority shareholders.

The proceeds raised from the issuance of share capital may only be used to identify and evaluate assets or businesses for future investment, with the exception that up to the lesser of 30% of the gross proceeds realized by the Corporation in respect of the sale of its securities or \$210,000, may be used for purposes other than evaluating businesses or assets. These restrictions apply until completion of a QT by the Corporation as defined under the policies of the Exchange. The Corporation is required to complete its QT on or before two years from the date the Corporation is listed.

On February 15, 2017, the Corporation issued, as seed shares, 4,000,000 common shares at \$0.05 per share for total proceeds of \$200,000.

(the "Agent") for the offering of 4,200,000 common shares at \$0.10 per share to raise gross proceeds of \$420,000. Other than payment of a corporate finance fee of \$12,500 and reimbursement of legal fees and other reasonable expenses incurred to the Agent, the Corporation has also paid a commission equivalent to 10% of gross proceeds, and granted an option that entitles the holder to acquire an aggregate of 420,000 common shares (the "Agent's Warrants") at an exercise price of \$0.10 per share exercisable for a period ending twenty-four months from the date the Corporation's Common Shares are listed on the Exchange.

On August 21, 2017, the Corporation granted 775,000 stock options to directors and officers, at an exercise price of \$0.10 per share, exercisable for a period of five years from the date grant date.

The Agent's Warrants were valued on the date of issue using the Black-Scholes option pricing model with the following assumptions: dividend yield 0%, risk-free interest rate of 1.24%, expected volatility of 100% and an expected life of two years. The value attributed to these options was \$22,110.

Under the rules of the Exchange, the Corporation is subject to delisting by the Exchange or, alternatively, the Corporation may apply for a listing on NEX, a separate trading platform of the Exchange intended for companies which have become inactive or have low levels of activity. Transfer to NEX requires shareholder approval and cancellation of all or a portion of seed shares purchased by non-arms length parties to the Corporation. As at the date hereof, the Corporation has not applied for listing on NEX and continues to remain suspended from trading on the Exchange.

On May 27, 2020 the Board of Directors approved the unaudited condensed interim financial statements for the three months ended March 31, 2020 and March 31, 2019.

Subsequent Events up to May 27, 2020

On May 18, 2020, the Corporation announced that it has signed a binding letter of intent ("LOI") with Novamind Ventures Inc. ("**Novamind**") effective as of May 8, 2020, as amended on May 13, 2020, to complete a business combination by way of a transaction that will constitute a reverse takeover of The Corporation by Novamind. The proposed transaction is intended to constitute an arm's length QT for the Corporation as defined in Policy 2.4 of the Exchange.

The LOI contemplates that the QT will be undertaken by way of a three-cornered amalgamation, pursuant to which Novamind will amalgamate (the "Amalgamation") with a newly formed subsidiary of the Corporation subject to approval of the Novamind shareholders.

Prior to the Amalgamation, both the Corporation and Novamind will effect a share consolidation of their issued and outstanding common shares on a 1:1.9788 and 1:4 basis (the "Consolidations") respectively. This would result in approximately 4,250,000 common shares post-consolidation of the Corporation and 19,018,750 common shares post-consolidation of Novamind.

Following the Consolidations and pursuant to the Amalgamation, the post-consolidation shareholders of Novamind would receive one (1) post-consolidation common share of the Corporation for every post-consolidation Novamind share. Outstanding convertible securities of Novamind will receive equivalent convertible securities of the Corporation in lieu of post-consolidation shares of Novamind, otherwise bearing the same terms as the original convertible securities of Novamind.

Completion of the QT is subject to the satisfaction of a number of conditions, including, but not limited to:

- (a) a change in the name of the Corporation to "Novamind Inc." or such other name acceptable to Novamind and applicable regulatory authorities;
- (b) receipt of all necessary third-party, regulatory and Exchange approvals, including the approval by the Exchange of the proposed transaction as the Corporation's QT;

- (c) negotiation and execution and delivery of a definitive form of amalgamation agreement (the "Definitive Agreement") mutually acceptable to both Novamind and the Corporation, containing the terms and conditions customary in transactions of like nature;
- (d) approval of the Amalgamation and the Definitive Agreement by the board of directors of Novamind and the Corporation;
- (e) prior to the QT, the completion by Novamind of a non-brokered private placement for minimum gross proceeds of \$2,500,000; and
- (f) the approval of the Amalgamation by the Novamind shareholders.

The table below demonstrates the pro forma capitalization of the Resulting Issuer on a non-diluted basis, assuming completion of the Novamind private placement, Consolidations and Amalgamation.

Resulting Issuer Shares held by Buzz Capital Shareholders	4,250,000	17.53%
Resulting Issuer Shares held by Novamind Shareholders	15,000,000	61.86%
Resulting Issuer Shares held by investors pursuant to the Novamind private placement	5,000,000	20.62%
TOTAL SHARES ISSUED AND OUTSTANDING	24,250,000	100%

Upon completion of the QT and receipt of Exchange approval, it is expected that the Resulting Issuer will be a Tier 2 Industrial Issuer. Details of the proposed business combination, along with a proposed share consolidation and concurrent financing of Novamind are outlined in the Corporation's news release disseminated on May 18, 2020, which is available on SEDAR at www.sedar.com.
