In the news release, Katipult Announces Delivery of Platform to Automate Private Placements, issued 15-July-2019 by Katipult Technology Corp. over CNW, we are advised by the company that the news release filed was not the final version. The complete, corrected release follows:

Katipult Announces Delivery of Platform to Automate Private Placements

Vancouver, British Columbia – July 15, 2019 - Katipult Technology Corp. (TSXV: FUND) ("Katipult") is pleased to announce that it has entered into an agreement with an independent Canadian investment dealer for the deployment of the Katipult platform for the automation of the electronic execution and delivery of documents for private placements. The Katipult platform is currently operational and being tested by the dealer. Initial feedback from the testing is positive but there can be no assurance that the client will proceed to deploy the platform once the testing period is completed.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accept responsibility for the adequacy or accuracy of this release.

Forward-Looking Statement:

Cautionary Note Regarding Forward Looking Statements: Certain disclosure in this release, including statements regarding the increased or continued industry interest in the Company's product, future growth constitute forward-looking statements. In making the forward-looking statements in this release, the Company has applied certain factors and assumptions that are based on the Company's current beliefs as well as assumptions made by and information currently available to the Company, including, but not limited to, the Company's product will continue to operate as expected, the industry will continue to see value in the Company's product. Although the Company considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect, and the forward-looking statements in this release are subject to numerous risks, uncertainties and other factors that may cause future results to differ materially from those expressed or implied in such forward-looking statements. Readers are cautioned not to place undue reliance on forward-looking statements. The Company does not intend, and expressly disclaims any intention or obligation to, update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required by law.
