Dear Sirs/Mesdames:

Re: Ero Copper Corp. (the “Company”)
Short Form Base Shelf Prospectus – Consent of Expert

In connection with the Company’s short form base shelf prospectus, dated August 29, 2025, including the documents incorporated by reference therein (the “**Prospectus**”), I, Scott C. Elfen, a Qualified Person as defined in National Instrument 43-101 – *Standards of Disclosure for Mineral Projects*, hereby consent to the use of my name in connection with references to my involvement in the preparation of the technical report entitled “*Boa Esperança Project NI 43-101 Technical Report on Feasibility Study Update*”, dated November 12, 2021, with an effective date of August 31, 2021 (the “**Technical Report**”), to references to the Technical Report, or portions thereof which I prepared, supervised the preparation of and/or that was reviewed and approved by me, in the Prospectus and to the inclusion of information derived from the Technical Report in the Prospectus.

I also hereby confirm that I have read the Prospectus, and that I have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Technical Report or that are within my knowledge as a result of the services that I performed in connection with the Technical Report.

Yours truly,

(signed) “Scott Elfen”

Scott C. Elfen, P.E.
