**New Point Exploration Corp. Completes Initial Public Offering**

**Vancouver, British Columbia, December 19, 2017:** New Point Exploration Corp. (the "Company" or "New Point") is pleased to announce that on December 19, 2017, it completed its initial public offering (the "IPO") of 3,500,000 common shares in its capital (each a "Share"), for gross proceeds of \$350,000. The net proceeds from the IPO will be used for working capital and to carry out exploration of the Company's Columbia Shear Property located near Cowichan Lake, British Columbia, approximately 30 km southeast of the town of Port Alberni and 45 km northwest of the town of Lake Cowichan, in the Victoria Mining Division.

Mackie Research Capital Corporation acted as agent (the "Agent") for the IPO. The Agent received a cash commission equal to 10% of the proceeds of the IPO and a corporate finance fee of \$25,000. Additionally, the Company has granted to the Agent agent's warrants entitling it to purchase up to 350,000 Shares at a price of \$0.10 per Share, exercisable on or before December 19, 2019.

The Shares were approved for listing on the Canadian Securities Exchange on December 19, 2017 and will begin trading on December 20, 2017 under the symbol NP.

The offered securities have not been and will not be registered under the United States *Securities Act of 1933*, as amended (the "U.S. Securities Act"), or any applicable state securities laws and may not be offered or sold in the United States or to "U.S. persons", as such term is defined in Regulation S under the U.S. Securities Act, absent such registration or an applicable exemption from such registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy the offered securities in any jurisdiction.

**About New Point**

New Point is engaged in the business of mineral exploration and the acquisition of mineral property assets in British Columbia. Its objective is to locate and develop economic precious and base metal properties of merit and to conduct its exploration program on the Columbia Shear Property. The Columbia Shear Property consists of twenty-three (23) contiguous mineral tenures located near Cowichan Lake, British Columbia, in the Victoria Mining Division, British Columbia.

### **Forward-Looking Statements:**

This news release includes certain forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding future capital expenditures, anticipated content, commencement, and cost of exploration programs in respect of the Company's projects and mineral properties, anticipated exploration program results from exploration activities, resources and/or reserves on the Company's projects and mineral properties, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Often, but not always, forward looking information can be identified by words such as "pro forma", "plans", "expects", "may", "should", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", "believes", "potential" or variations of such words including negative variations thereof, and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking statements. Such risks and other factors include, among others, statements as to the anticipated business plans and timing of future activities of the Company, including the Company's option to acquire the Columbia Shear Property, the proposed expenditures for exploration work thereon, the ability of the Company to obtain sufficient financing to fund its business activities and plans, delays in obtaining governmental and regulatory approvals (including of the Canadian Securities Exchange), permits or financing, changes in laws, regulations and policies affecting mining operations, the Company's limited operating history, currency fluctuations, title disputes or claims, environmental issues and liabilities, as well as those factors discussed under the heading "Risk Factors" in the Company's prospectus dated November 8, 2017 and other filings of the Company with the Canadian Securities Authorities, copies of which can be found under the Company's profile on the SEDAR website at [www.sedar.com](http://www.sedar.com).

Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements in this presentation or incorporated by reference herein, except as otherwise required by law.
