About Stelco

Stelco is a low cost, integrated and independent steelmaker with one of the newest and most technologically advanced integrated steelmaking facilities in North America. Stelco produces flat-rolled value-added steels, including premium-quality coated, cold-rolled and hot-rolled steel products, as well as pig iron and metallurgical coke. With first-rate gauge, crown, and shape control, as well as uniform through-coil mechanical properties, our steel products are supplied to customers in the construction, automotive, energy, appliance, and pipe and tube industries across Canada and the United States as well as to a variety of steel service centres, which are distributors of steel products. At Stelco, we understand the importance of our business reflecting the communities we serve and are committed to diversity and inclusion as a core part of our workplace culture, in part, through active participation in the BlackNorth Initiative.
