Dear Sirs / Mesdames:

We refer to the prospectus supplement dated September 17, 2025 (the “**Prospectus Supplement**”) to the short form base shelf prospectus dated September 17, 2025 of Cybin Inc. (the “**Company**”), qualifying the periodic resale of up to 20,000,000 common shares of the Company by a selling shareholder.

We, Zeifmans LLP, consent to being named and to the use, through incorporation by reference in the Prospectus Supplement, of our report dated June 30, 2025 to the shareholders of the Company on the following consolidated financial statements:

- Consolidated statements of financial position as at March 31, 2025 and 2024; and
- Consolidated statements of loss and comprehensive loss, changes in shareholders’ equity and cash flows for the years then ended, and notes to the consolidated financial statements, including material accounting policy information.

We report that we have read the Prospectus Supplement and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the consolidated financial statements upon which we have reported or that are within our knowledge as a result of our audit of such consolidated financial statements. We have complied with Canadian generally accepted standards for an auditor’s consent to the use of a report of the auditor included in a prospectus, which does not constitute an audit or review of the Prospectus Supplement as these terms are described in the CPA Canada Handbook – Assurance.
