NEWS RELEASE

Ben Mulroney Joins AISIX Solutions as Advisor for Public and Government Relations

Vancouver, British Columbia, November 1, 2024. AISIX Solutions Inc., ("AISIX" or "the Company") (TSXV: AISX) (OTCQB: AISXF) (FSE: QT7), a frontrunner in climate risk assessment and modeling proudly announces the appointment of Ben Mulroney as Advisor for Public Relations and Government Relations.

A renowned media personality with extensive experience in public relations, Ben Mulroney is poised to enhance AISIX Solutions' outreach and advocacy strategies. With his deep understanding of public engagement and his media expertise, Ben will play a pivotal role in bolstering the company's interactions with the media, government officials, and the wider public.

"Ben Mulroney's exceptional background in public and government relations ideally positions him to lead our strategic communications," said Mihalis Belantis, CEO of AISIX Solutions. "His appointment is a key milestone for us as we strive to more effectively navigate the intricacies of public and governmental dialogue."

Ben's strategic vision is expected to drive advancements in AISIX Solutions' approach to comprehensive stakeholder engagement, reinforcing our commitment to innovation and community collaboration.

The contract commences November 1, 2024.

Forward Looking Statements

Certain information in this news release constitutes forward-looking statements and forward-looking information (collectively, the "**forward-looking statements**") within the meaning of Canadian securities laws, and is subject to numerous risks, uncertainties, and assumptions, many of which are beyond the Company's control. This forward-looking information includes, among other things, information with respect to the Company's beliefs, plans, expectations, anticipations, estimates and intentions. The words "may", "could", "should", "would", "suspect", "outlook", "believe", "anticipate", "estimate", "expect", "intend", "plan", "target" and similar words and expressions are used to identify forward-looking information, including the Company's expected product offerings, the functionalities of the AI Climate Risk Consumer Interface and the Company's expected growth opportunities. The forward-looking information in this news release describes the Company's expectations as of the date of this news release.

The results or events anticipated or predicted in such forward-looking information may differ materially from actual results or events. Material factors which could cause actual results or events to differ materially from such forward-looking information include, among others, the Company's ability to engage and retain qualified key personnel, employees and affiliates, the Company's ability to obtain capital and credit on reasonable terms, the Company's ability to compete and the Company's ability protect its intellectual property rights.

The Company cautions that the foregoing list of material factors is not exhaustive. When relying on the Company's forward-looking information to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. The Company has assumed a certain progression, which may not be realized. It has also been assumed that the material factors referred to in the previous paragraph will not cause such forward-looking information to differ materially from actual results or events. However, the list of these factors is not exhaustive and is subject to change and there can be no assurance that such assumptions will reflect the actual outcome of such items or factors.

The forward-looking statements contained in this news release represent the expectations of the Company as of the date of this news release and, accordingly, are subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While the Company may elect to, it does not undertake to update this information at any particular time.
