AISIX Solutions Inc. Announces Non-Brokered Private Placement of Shares

Vancouver, British Columbia--(Newsfile Corp. - April 14, 2026) - **AISIX Solutions Inc.**, (TSXV: AISX) ("**AISIX**" or "the **Company**"), a wildfire risk assessment and analytics solutions provider, is pleased to announce a non-brokered private placement financing (the "**Offering**") of up to 25,000,000 common shares in the capital of the Company ("**Shares**") at a price of C$0.02 per Share for aggregate gross proceeds of up to $500,000.

The Company intends to use the net proceeds of the Offering for general working capital.

The Shares issued pursuant to the Offering will be subject to a four month hold period pursuant to securities laws in Canada. Any participation by "related parties" (as such term is defined under Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transaction* ("**MI 61-101**")) of the Company in the Offering will constitute a related party transaction under MI 61-101 but is expected to be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101.

The Offering is expected to close on April 24, 2026, or on such other date or dates in one or more tranches as may be determined by the Company. The closing of the Offering is subject to certain conditions including, but not limited to, the approval of the TSX Venture Exchange ("**TSXV**").

The securities of the Company have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the "**U.S. Securities Act**") or any U.S. state securities laws and may not be offered or sold in the United States absent registration or an available exemption from the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there by any sale of the securities referenced in this press release, in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Forward-Looking Statements

Certain information in this news release constitutes forward-looking statements and forward-looking information (collectively, the "**forward-looking statements**") within the meaning of Canadian securities laws, and is subject to numerous risks, uncertainties, and assumptions, many of which are beyond the Company's control. This forward-looking information includes, among other things, information with respect to the Company's beliefs, plans, expectations, anticipations, estimates and intentions. The words "may", "could", "should", "would", "suspect", "outlook", "believe", "anticipate", "estimate", "expect", "intend", "plan", "target" and similar words and expressions are used to identify forward-looking information, including the Company's expected product offerings, the functionalities of the Company's products and the Company's expected growth opportunities. The forward-looking information in this news release describes the Company's expectations as of the date of this news release.

The results or events anticipated or predicted in such forward-looking information may differ materially from actual results or events. Material factors which could cause actual results or events to differ materially from such forward-looking information include, among others, the Company's ability to engage and retain qualified key personnel, employees and affiliates, the Company's ability to obtain capital and credit on reasonable terms, the Company's ability to compete and the Company's ability protect its intellectual property rights.

The Company cautions that the foregoing list of material factors is not exhaustive. When relying on the Company's forward-looking information to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. The Company has assumed a certain progression, which may not be realized. It has also been assumed that the material factors referred to in the previous paragraph will not cause such forward-looking information to differ materially from actual results or events. However, the list of these factors is not exhaustive and is subject to change and there can be no assurance that such assumptions will reflect the actual outcome of such items or factors.

The forward-looking statements contained in this news release represent the expectations of the Company as of the date of this news release and, accordingly, are subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While the Company may elect to, it does not undertake to update this information at any particular time.
