DCS Announces Issuance of Promissory Note

San Diego, CA – May 28 2026 – Direct Communication Solutions, Inc. **(CSE: DCSI) (FSE: 7QU)** a leading provider of information technology solutions for the Internet of Things (IoT) market, today announced that it has issued to an Arms Length investor (the "**Lender**") an interest bearing promissory note (the "**Note**") in the principal amount of $150,000 USD.

Pursuant to the Promissory Notes, the Company and the Lender have agreed to a term of 24 months, at an annual interest rate of 15%. The Company may pre-pay the principal amount of the Promissory Note in whole, or in part, at any time or from time to time without premium or penalty.

The Lender will be issued a total of 6,900 bonus warrants (the "Warrants") in connection with the Loan, with each Warrant being exercisable at CDN $2.95 per common share for a period of 2 years. The Loan and issuance of Warrants remain subject to regulatory acceptance.

Forward-Looking Statements

This release contains forward-looking statements, which reflect management's current views of future events and operations. These statements are based on current expectations and assumptions that are subject to risks and uncertainties that could cause actual results to differ materially. We believe that these potential risks and uncertainties include, the Company's dependence on third-party manufacturers, suppliers, technologies and infrastructure; risks related to intellectual property; industry risks including competition, online security, government regulation and global economic conditions; and the Company's financial position and need for additional funding, Statements in this release should be evaluated in light of these factors. These risk factors and other important factors that could affect our business and financial results are discussed in our Management's Discussion and Analysis, periodic reports and other public filings which are available on SEDAR+ at www.sedarplus.ca and News Service. DCS undertakes no duty to update or revise any forward-looking statements.
