Removal of the Consequences of Failing to Complete a QT within 24 Months of the Listing Date

Under the Exchange's Policy 2.4 - *Capital Pool Companies* (as at April 17th, 2018) (the "**Former CPC Policy**") there were certain consequences if a QT is not completed within 24 months of the Listing Date. These consequences include a potential for common shares of the Company (the "**Shares**") to be delisted or suspended, or, subject to the approval of the majority of the Company's shareholders, transferring Company shares to list on the NEX and cancelling certain seed shares. The New CPC Policy has removed these consequences assuming Disinterested Shareholder approval is obtained. The Company intends to ask Disinterested Shareholders to approve the removal of such consequences at the Special Meeting, as it believes that it will afford the Company greater flexibility to complete its QT.

Amendments to the Escrow Agreement

The Company intends to ask Disinterested Shareholders to approve the Company making certain amendments to the Escrow Agreement, including allowing the Company's escrowed securities to be subject to an 18-month escrow release schedule as detailed in the New CPC Policy, rather than the current 36-month escrow release schedule in the Former CPC Policy. Under the New CPC Policy, if approved by Disinterested Shareholders at the Meeting, all escrowed securities of the Company will be released from escrow in accordance with the following schedule:

Release Dates	Percentage of Total Escrowed Securities to be Released
Date of Final QT Exchange Bulletin	25%
Date 6 months following Final QT Exchange Bulletin	25%
Date 12 months following Final QT Exchange Bulletin	25%
Date 18 months following Final QT Exchange Bulletin	25%
TOTAL	100%
