BEXAR VENTURES ANNOUNCES AN ADDITION TO ITS BOARD OF DIRECTORS

June 11, 2020, Vancouver, British Columbia — Bexar Ventures Inc. (the “Company” or “Bexar”) announced that Rob Goehring has been appointed to the Company's Board of Directors.

Mr. Goehring is a serial entrepreneur with over 20 years’ experience founding and running private and public software and hardware companies in telecom, marketing tech, SaaS and financial services. He is currently the CEO of Think Technologies, a developer of artificial intelligence software solutions.

Previously, he was CEO of RewardStream, a leader in referral and loyalty marketing (acquired by Buyapowa Ltd.) He was also the Chief Marketing Officer of TIO Networks (TNC.V acquired by PayPal) and the co-founder of Contigo Systems, an award-winning telematics company (acquired by Vecima Networks).

Mr. Goehring has an MBA from Simon Fraser University in Marketing and MIS, is an advisor to technology growth companies, and speaks on marketing technology trends. Rob is also the founding director of the AI C-Council for the BC Technology Industry Association.

ON BEHALF OF THE BOARD OF DIRECTORS
“Vincent Wong”
President and Director
