About Tribe Property Technologies

Tribe is a property technology company that is disrupting the traditional property management industry. As a rapidly growing tech-forward property management company, Tribe's integrated service-technology delivery model serves the needs of a much wider variety of stakeholders than traditional service providers. Tribe seeks to acquire highly accretive targets in the fragmented North American property management industry and transform these businesses through streamlining and digitization of operations. Tribe's platform decreases customer acquisition costs, increases retention, and allows for the addition of value-added products and services through the platform.
