The principal business of the Corporation is the identification and evaluation of assets or businesses with a view to completing a Qualifying Transaction ("QT"). The Corporation has not commenced commercial operations and has no assets other than cash held in trust. Given the nature of the activities, no separate segmented information is reported. The Corporation's continuing operations, as intended, are dependent on its ability to secure equity financing with which it intends to identify and evaluate potential acquisitions of businesses, and once identified and evaluated, to negotiate an acquisition thereof or participation therein subject to receipt of regulatory and, if required, shareholders' approval.

The proceeds raised from the issuance of share capital may only be used to identify and evaluate assets or businesses for future investment, with the exception that up to the lesser of 30% of the gross proceeds realized by the Corporation in respect of the sale of its securities or \$210,000, may be used for purposes other than evaluating businesses or assets. These restrictions apply until completion of a QT by the Corporation. The Corporation is required to complete its QT on or before two years from the date the shares of the Corporation were first listed on the Exchange.

The head office and the registered head office of the Corporation is located at 77 King Street West, Suite 700, Toronto, ON M5K 1G8.
