Agrios Global Holdings Ltd. Provides Corporate Update

Vancouver BC / NEWSWIRE / September 1, 2020 / CNW/ - Agrios Global Holdings Ltd. (CSE: AGRO) (OTCQB: AGGHF) (FSE: ØSA - WKN-A2N62K) ("Agrios" or the "Company") announces it has appointed Mr. Wilson T.K. Lee and Dr. Frederick Wagner to the Board of Directors.

Wilson Lee earned his degree in finance at the University of British Columbia in Vancouver, B.C., Canada. He has held senior positions with Société Générale Asia ex-Japan equity derivatives and structured products, Jardine Matheson Asset Management, and G.F. Asset Management. Wilson is the co-founder of Full Nature Farms, a company that has developed agricultural systems to produce crops based on nutrients from fish waste with a long-term goal is to create large scale "closed-loop" farming systems.

Dr. Frederick Wagner received his M.D. from St. Louis University, followed by his anesthesiology specialty training at Washington University in St. Louis and is Board Certified by the American Board of Anesthesiology. Frederick serves as a managing partner at Millennium Anesthesiology Consultants LLC.

Frederick possesses extensive experience in navigating regulatory and compliance complexities that shape the framework of the modern healthcare system. An experienced operation, development, and strategic advisor, he has been driving results in hospitals through identifying growth opportunities, developing strategic relationships, and improving processes for operational efficiency.

Frederick has extensive experience with patient responses to opioids, sedatives, and interactions of multiple classes of pharmaceuticals and has been treating medical cannabis patients for five years.

Additionally, the Company has appointed Chris Kennedy President & CEO as Corporate Secretary of the Company.

Forward Looking Statements

Statements in this news release that are forward-looking statements are subject to various risks and uncertainties concerning the specific factors disclosed here and elsewhere in Agrios' periodic filings with Canadian securities regulators. When used in this news release, words such as "will, could, plan, estimate, expect, intend, may, potential, believe, should," and similar expressions, are forward-looking statements.

Forward-looking statements may include, without limitation, statements related to corporate strategy and Agrios' ability to execute such strategy, future developments regarding Agrios' expansion into various markets including numerous states within the United States of America, and into Asia, expected costs of hemp fiber, intended development and sales of hemp products, market demand for hemp products, and the business and operations of Agrios as it relates to the Yunnan Province

Although Agrios has attempted to identify important factors that could cause actual results, performance or achievements to differ materially from those contained in the forward-looking statements, there can be other factors that cause results, performance or achievements not to be as anticipated, estimated or intended, including, but not limited to: dependence on obtaining regulatory approvals; investing in target companies or projects which have limited or no operating history and are engaged in activities currently considered illegal under U.S. Federal laws; change in laws; limited operating history; reliance on management; requirements for additional financing; competition; hindering market growth and state adoption due to inconsistent public opinion and perception of the medical-use and adult-use marijuana industry and; regulatory or political change.

There can be no assurance that such information will prove to be accurate or that management's expectations or estimates of future developments, circumstances or results will materialize. Because of these risks and uncertainties, the results or events predicted in these forward-looking statements may differ materially from actual results or events.

Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking statements in this news release are made as of the date of this release. Agrios disclaims any intention or obligation to update or revise such information, except as required by applicable law, and Agrios does not assume any liability for disclosure relating to any other company mentioned herein.
