Wildpack Beverage operates indirectly through its wholly owned subsidiaries and out of five facilities in Baltimore, Maryland; Grand Rapids, Michigan; Atlanta, Georgia; Sacramento, California; and Las Vegas, Nevada with a focus on digital innovation and green ready-to-drink packaging. Wildpack Beverage commenced trading on the TSX Venture Exchange under the symbol "CANS" on May 19, 2021.

Cautionary Statement on Forward Looking Information

This news release may contain "forward-looking statements" within the meaning of applicable Canadian securities laws, including, but not limited to, statements with respect to the timing, review, completion and filing of the Required Filings, Wildpack Beverage's plans, investments, anticipated revenue from manufacturing agreements, plans to build additional facilities, financial performance and operating performance, anticipated growth in co-packing business, the estimation of revenue, the timing and targets of M&A activity, costs, future capital expenditures, and the success of scaling up production. Forward-looking statements are based upon a number of estimates and assumptions that, while considered reasonable by management, are inherently subject to significant business, economic and competitive risks including but not limited to: the risk of the Company not filing the Required Filings on time, risks related to the successful integration of acquisitions; risks related to operations; risks related to general economic conditions and credit availability, ability to obtain sufficient and suitable financing, actual results of current production and decorating, fluctuations in prices of aluminum; failure of plant, equipment or processes to operate as anticipated; accidents, labour disputes, title disputes, claims and limitations on insurance coverage and other risks of the co-packaging industry; delays in the completion of capex activities, changes in national and local government regulation of manufacturing operations and labour laws particularly in light of the COVID pandemic, tax rules and regulations, and political and economic developments where Wildpack Beverage operates. These statements generally can be identified by the use of forward-looking words such as "may", "should", "will", "could", "intend", "estimate", "plan", "anticipate", "expect", "believe", or "continue", or the negative thereof or similar variations. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance, or achievements of Wildpack Beverage to be materially different from any future results, performance, or achievements expressed, performance or achievements expressed or implied by those forward-looking statements and the forward-looking statements are not guarantees of future performance. Forward-looking statements expressed or implied by Wildpack Beverage are subject to a number of risks, uncertainties, and conditions, many of which are outside of Wildpack Beverage's control, and undue reliance should not be placed on such statements. Although Wildpack Beverage has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. Forward-looking statements are qualified in their entirety by the inherent risks and uncertainties related to Wildpack's business, including that Wildpack Beverage's assumptions in making forward-looking statements may prove to be incorrect; delays in filing of financial information; adverse market conditions; risks inherent in the beverage manufacturing and packaging sector in general; that future results may vary from historical results; and competition in the markets where Wildpack Beverage operates. Except as required by securities law, Wildpack Beverage does not assume any obligation to update or revise any forward-looking statements, whether as a result of new information, events or otherwise.
