Forward-Looking Information and Statements

This press release includes certain statements that may be deemed "forward-looking statements" and "forward-looking information" within the meaning of Canadian and United States securities laws (collectively, "forward-looking statements"), which may be identified by the use of words such as "plans", "is expected", "intends", "believes", "proposed", or variations (including negative and grammatical variations) of such words and phrases, or state that certain actions, events or results "may", "could", "would", or "will" be taken, occur or be achieved. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are subject to risks and uncertainties and are not guarantees of future performance and actual results or developments may differ materially from those in forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include: the intended use of proceeds from the offering, general economic and stock market conditions, loss of markets and other factors beyond the control of DEFSEC. Although DEFSEC has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended. No forward-looking statement can be guaranteed. Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made and DEFSEC undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Neither the TSX Venture Exchange nor its respective Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

The offering received the approval of the TSX Venture Exchange.
