Forward-Looking Statements

This news release contains statements that constitute "forward-looking statements." Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements, or developments in the industry to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur.

Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management of SLANG at this time, are inherently subject to significant business, economic and competitive risks, uncertainties and contingencies that could cause actual results to differ materially from those expressed or implied in such statements. Investors are cautioned not to put undue reliance on forward-looking statements. Applicable risks and uncertainties include, but are not limited to regulatory risks, changes in laws, resolutions and guidelines, market risks, concentration risks, operating history, competition, the risks associated with international and foreign operations and the other risks identified under the heading "Risk Factors" in SLANG's final long form prospectus dated January 17, 2019 as filed on SEDAR at www.sedar.com. SLANG is not under any obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as expressly required by applicable law.
