

Facedrive Provides Update on Change of Auditor Process

TORONTO, Nov. 22, 2021 - Facedrive Inc. ("**Facedrive**" or the "**Company**") (TSXV: FD) (OTCQX: FDVRF) is pleased to announce that SRCO Professional Corporation, Chartered Professional Accountants, has been appointed as the Company's new auditor effective November 8, 2021. In accordance with section 4.11 of National Instrument 51-102 – *Continuous Disclosure Obligations*, the Company will file today on SEDAR a change of auditor reporting package. This reporting package will provide information about the resignation of the Company's predecessor auditor, Deloitte LLP ("**Deloitte**"), as was described the Company's press release and filings dated Oct. 6, 2021 (available at www.sedar.com), and the appointment of SRCO as the Company's successor auditor.

About Facedrive

Facedrive is a multi-faceted "people-and-planet first" tech ecosystem offering socially-responsible services to local communities with a strong commitment to doing business fairly, equitably and sustainably. As part of this commitment, Facedrive's vision is to fulfil its mandate through a number of services that either leverage existing technologies of the Company or project synergies with existing lines of business.

Facedrive's service offerings include its: (i) eco-friendly rideshare business, Facedrive Rideshare; (ii) food delivery service, Facedrive Foods; (iii) electric and hybrid vehicle subscription business, Steer; (iv) contact-tracing and connected health technology services, Facedrive Health; (v) e-commerce platform, Facedrive Marketplace; and (vi) e-social platform, Facedrive Social. Facedrive Rideshare was among the first to offer a wide variety of environmentally and socially responsible solutions in the Transportation as a Service (TaaS) space, planting thousands of trees based on user consumption and offering choices between electric, hybrid and conventional vehicles (including, more recently, electric and hybrid vehicles on a subscription basis through Steer). Facedrive Marketplace offers curated merchandise typically created from sustainably sourced materials and linked to social causes. Facedrive Foods offers contactless delivery of a wide variety of foods right to consumers' doorsteps, with a focus on doing so in a socially and environmentally-conscious manner. Facedrive Social strives to keep people connected in a physically-distanced world through its HiQ and other e-socialization platforms that invite users to interact based on common interests and by offering gamification and mutual community support features. Facedrive Health strives to develop and offer innovative technological solutions to the most acute health challenges including its proprietary TraceSCAN wearable technology for contact tracing.

Facedrive envisions changing the ridesharing, food delivery, e-commerce, social and health tech narratives for the better, for everyone, and is currently operational in Canada and the United States .
