ARMORY MINING ENGAGES PLUTUS INVEST & CONSULTING GmbH

Vancouver, British Columbia, **November 17, 2025 – Armory Mining Corp**. (CSE: ARMY) (OTC: RMRYF) (FRA: 2JS) (the "**Company**" or "**Armory**") a resource exploration company focused on the discovery and development of minerals critical to the energy, security and defense sectors, is pleased to announce that it has entered into an marketing agreement with Plutus Invest and Consulting GmbH ("**Plutus**") (address: Buchtstr. 13, Bremen, 28195, Germany; e-mail: contact@plutusinvest.de, telephone: 49-421-1754-0174), pursuant to which Plutus will provide the Company with marketing and communications services (the "**Media Services**") for the period from November 17, 2025 to May 16, 2026.

The Media Services provided by Plutus will be in consulting with the Company's management in building corporate awareness through Plutus's network in Europe. The Company has agreed to pay Plutus an initial fee of €100,000 upon the provision of the Media Services and up to €250,000 if the Company requests to extend the initial campaign. The Company will not issue any securities to Plutus as compensation for the Media Services.

The consulting agreement with Plutus was negotiated through arm's length negotiations. The engagement of Plutus is subject to certain conditions including, but not limited to, the submission of all required forms to the CSE.

About Armory Mining Corp

Armory Mining Corp. is a Canadian exploration company focused on minerals critical to the energy, security and defense sectors. The Company controls an 80% interest in the Candela II lithium brine project located in the Incahuasi Salar, Salta Province, Argentina and a 100% interest in the Riley Creek antimony-gold project located in Haida Gwaii, British Columbia, and an option to acquire a 100% interest in the Ammo antimony-gold project located in Nova Scotia.

Forward-looking statements:

Certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Forward-looking information includes, but is not limited to the Company completing the transactions contemplated by the Assignment Agreement and the Kaslo Agreement the Company being well positioned to undertake high-impact exploration this summer; and further exploration on the Riley Project. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "anticipates", "anticipated" "expected" "intends" "will" or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are from those expressed or implied by such forward-looking statements or forward-looking information subject to known and unknown risks, uncertainties and other factors that may cause the actual results to be materially different, including receipt of all necessary regulatory approvals. Although management of the Company have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.
