

Mark Williamson
Chairman

Dear Shareholder

ANNUAL GENERAL MEETING OF IMPERIAL TOBACCO GROUP PLC

I am pleased to inform you that the Imperial Tobacco Group PLC 2015 Annual Report and Accounts has now been published.

If you have requested a printed copy of the Annual Report and Accounts, it is enclosed with this letter together with the associated documents. If you requested to receive your Annual Report and Accounts and associated documents electronically or did not return the election card previously sent to you, please accept this letter as notification that the Annual Report and Accounts and associated documents have now been published on the Investors section of our website (www.imperial-tobacco.com/reports).

Building a Stronger Business

We delivered another good performance in 2015, creating further sustainable value for our shareholders. This was achieved through the consistent execution of our strategy, which is focused on maximising sales, cost and cash opportunities.

Our performance highlights included gains from our Growth and Specialist Brands, strong results in a broad spread of markets and the completion of an acquisition that has transformed our presence in the USA, the world's most profitable tobacco market outside of China.

We also made excellent progress with our strategic transition initiatives, further optimising our portfolio and market footprint, implementing better ways of working and efficiently managing our cost base.

It is a credit to our people around the world that Imperial Tobacco continues to deliver such good results, often against a backdrop of difficult market conditions. My thanks to everyone for their contribution.

Growing Returns for Shareholders

Our success continues to generate sustainable returns for our shareholders. On a constant currency basis tobacco net revenue was up by 4 per cent, adjusted operating profit was up by 7 per cent and we grew adjusted earnings per share by 8 per cent.

The Board is pleased to be recommending a final dividend of 49.1 pence, bringing total dividend for the year to 141.0 pence per share, another strong increase of 10 per cent.

Investing in the USA

In July 2014 we announced our intention to acquire, from Reynolds American, a number of assets in the USA, one of our key Growth Markets. These assets were being sold as a result of the acquisition of Lorillard by Reynolds American and consisted of a portfolio of US cigarette brands, blu, a leading e-cigarette brand, and certain Lorillard infrastructure, including its cigarette factory and national sales force.

We successfully completed the transaction on 12 June 2015 for a consideration of \$7.1 billion (£4.6 billion) or \$5.6 billion (£3.6 billion) after adjusting for the present value of expected tax benefits of approximately \$1.5 billion.

The deal, which was financed from debt and our own cash resources, has significantly enhanced our operations in the USA providing national distribution for our brands and improving our cigarette market share from around 3 per cent to over 9 per cent.

The expanded business, ITG Brands, will significantly increase the diversity and sustainability of our cash flow and returns. The USA will become the largest contributor to Group revenues and as a result, we now disclose our USA performance as a separate reportable segment.

Capital Discipline

Our continued focus on embedding stronger capital discipline in the business was reflected in further improvements in cash conversion and debt reduction.

Cash conversion increased to 97 per cent, up from 91 per cent last year.

Adjusted net debt increased to £11.6 billion, the result of adding £4.6 billion for the USA acquisition. We reduced adjusted net debt in the existing business by £1.1 billion, building on the excellent progress we made in 2014 and taking the total reduction over the last two years to £2.1 billion.

A Responsible Business

We run our business responsibly and take pride in the positive contributions we make in countries across our international footprint. We respect the natural resources we use, provide employment for around 36,400 people and return over £16 billion a year to governments in taxes and duties.

Our corporate responsibility priorities are clearly set out in our responsibility framework and an update on the progress we're making in key areas can be found on pages 21 to 24 of our Annual Report and Accounts and on our website: www.imperial-tobacco.com/reports

Governance and the Board

Strong governance is integral to our long-term sustainability and the Board is committed to ensuring that Imperial Tobacco is governed and managed in an open, honest and transparent manner.

Our Governance Report, which can be found on pages 31 to 48 of our Annual Report and Accounts, provides an overview of our governance framework and the work of the Board and its Committees.

Following the completion of the USA acquisition we made a number of senior management changes to ensure that we have the right structure in place to lead the enlarged Group. These changes included appointing Matthew Phillips, previously Corporate Affairs Director and a member of the Board for the past three years, as Chief Development Officer. In this new role, Matthew is responsible for corporate development and Fontem Ventures, including blu, and also retains his corporate and legal affairs responsibilities.

Building on our Success

We made good progress in 2015 and will continue to focus on strengthening the business and improving the quality of our growth.

We have the strategy, the capabilities and the people to build on these results and deliver another year of value creation for our shareholders.

Adoption of Financial Reporting Standard (FRS) 101 – Reduced Disclosure Framework

Following the publication of FRS 100 Application of Financial Reporting Requirements by the Financial Reporting Council, Imperial Tobacco Group PLC is required to change its accounting framework for its entity financial statements, which is currently UK GAAP, for its financial year that commenced on 1 October 2015. The Board considers that it is in the best interests of the Group for Imperial Tobacco Group PLC to adopt FRS 101 Reduced Disclosure Framework. No disclosures in the current UK GAAP financial statements would be omitted on adoption of FRS 101.

A shareholder or shareholders holding in aggregate 5% or more of the total allotted shares in Imperial Tobacco Group PLC may serve objections to the use of the disclosure exemptions on Imperial Tobacco Group PLC, in writing, to its registered office (for the attention for the Company Secretary, Imperial Tobacco Group PLC, 121 Winterstoke Road, Bristol BS3 2LL) not later than 29 February 2016.

Yours sincerely

Mark Williamson

Notes

1. Only holders of Ordinary Shares are entitled to attend and vote at this AGM. A member entitled to attend and vote is entitled to appoint a proxy or proxies to exercise all or any of his/her rights to attend, speak and vote instead of him/her. A member may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different Ordinary Share or Ordinary Shares held by him/her. A proxy need not be a member of the Company.

You may appoint your proxy electronically at www.sharevote.co.uk. You will need the Voting I.D., Task I.D. and Shareholder Reference which together make up your personal voting reference number printed on the front of the proxy form enclosed with this notice. Alternatively, if you have already registered with Equiniti's online portfolio service, Shareview, you can submit your proxy form at www.shareview.co.uk (click on the link to vote). For further information see the instructions printed on the proxy form.

As an alternative to appointing your proxy electronically a proxy form is enclosed with this notice and instructions for its completion are shown on the form. Proxy forms and the power of attorney or other authority, if any, under which it is signed or a certified copy of such power or authority need to be deposited with the Company's registrar, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA. All proxy forms, whether completed electronically or on paper, must be received by the Company's registrar not less than 48 hours before the scheduled start of the AGM or any adjournment thereof.

Completion of a proxy form, either in electronic or paper format, does not preclude a member attending and voting in person at the AGM. A vote withheld option is provided on the proxy form to enable you to instruct your proxy not to vote on any particular resolution. It should, however, be noted that a vote withheld in this way is not a 'vote' in law and will not be counted in the calculation of the proportion of the votes 'For' and 'Against' a resolution.

A member must inform the Company's registrar in writing of any termination of the authority of a proxy.

A person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 (the Act) to enjoy information rights (a Nominated Person) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

The statements of the rights of members in relation to the appointment of proxies in this notice do not apply to a Nominated Person. The rights of members in relation to the appointment of proxies can only be exercised by registered members of the Company. Nominated Persons are reminded that they should contact the registered holder of their Ordinary Shares (and not the Company) on matters relating to their investments in the Company.

2. Under section 319A of the Act, a member attending the meeting has the right to ask questions in relation to the business of the meeting. The Company must cause to be answered any such questions relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
3. As at 11 December 2015 (being the last business day prior to publication of this notice) the Company's issued share capital consisted of 1,036,000,000 Ordinary Shares carrying one vote each (including 77,289,137 Ordinary Shares held by the Company in treasury which do not carry any voting rights). The total number of exercisable voting rights in the Company as at 11 December 2015 was, therefore, 958,710,863.
4. The following documents, which are available for inspection during normal business hours at the registered office of the Company on any weekday (Saturdays, Sundays and public holidays excluded), will also be available for inspection at the place of the AGM from 1.30pm on the day of the AGM until the conclusion of the AGM:
 - i. copies of the service contracts of the Executive Directors under which they are employed by the Company and the letters of appointment (and other related documents) of the Non-Executive Directors;
 - ii. the Articles of Association of the Company; and
 - iii. copies of the rules of the International Sharesave Plan, the Share Matching Scheme, the Bonus Match Plan, the Long Term Incentive Plan, the Long Term Bonus Incentive Plan, the Discretionary Share Award Plan and the deeds of the Employee Benefit Trusts.
5. The Company specifies that only those shareholders registered in the register of members of the Company as at 6.00pm on 1 February 2016 (or, in the event of any adjournment, 6.00pm on the date which is two days before the adjourned meeting) shall be entitled to attend and/or vote at the aforesaid AGM in respect of the number of Ordinary Shares registered in their name at that time. Changes to entries on the relevant register of securities after 6.00pm on 1 February 2016 (or, in the event of any adjournment, 6.00pm on the date which is two days before the adjourned meeting) shall be disregarded in determining the rights of any person to attend or vote at the AGM.

6. Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Company's AGM to be held on 3 February 2016 and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or relates to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in this notice of the AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

7. In accordance with the Company's established practice, all resolutions will be taken on a poll so as to accurately record the decision of all members based on their shareholding interests in the Company.
8. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that, if more than one, they do not do so in relation to the same Ordinary Shares.
9. It is possible that, pursuant to requests made by members of the Company under section 527 of the Act, the Company may be required to publish on its website a statement setting out any matter relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM or any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the members requesting such website publication to pay its expenses in complying with sections 527 or 528 of the Act and it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on its website.
10. A copy of this notice and other information required by section 311A of the Act can be found on the Company's website (www.imperial-tobacco.com).
11. You may not use any electronic address provided either in this notice or in any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.
12. Under section 338 and section 338A of the Act, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in such business. A resolution may properly be moved or a matter may properly be included in the business of the meeting unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business of the meeting, must be authorised by the person or persons making it, must be received by the Company not later than 22 December 2015, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business of the meeting only) must be accompanied by a statement setting out the grounds for the request.

EXPLANATORY NOTES

Annual Report and Accounts (Resolution 1)

The Directors of the Company must present the Company's Annual Report and Accounts to the AGM.

Directors' Remuneration Report (Resolution 2)

In accordance with section 439 of the Act, the Company is required to present the Directors' Remuneration Report to shareholders for their approval as a means of providing shareholder feedback to the Company in respect of overall remuneration packages. This vote will be advisory and the Directors' entitlement to remuneration is not conditional on it. The Directors' Remuneration Report can be found on pages 49 to 66 of the 2015 Annual Report and Accounts which is available on the Company's website. The Group's Remuneration Policy, which can be found on pages 48 to 53 of the 2014 Annual Report and Accounts available on the Company's website, and which was approved by shareholders at the AGM held on 28 January 2015, is not being amended and, therefore, will not be voted on this year.

Declaration of a dividend (Resolution 3)

A final dividend can only be paid after the shareholders at a general meeting have approved it. A final dividend of 49.1 pence per Ordinary Share is recommended by the Directors for payment to shareholders who are on the register at the close of business on 5 February 2016. If approved, the date of payment of the final dividend will be 31 March 2016. In accordance with our revised policy of paying quarterly dividends, interim dividends of 21.4 pence per Ordinary Share were paid on 30 June 2015 and 30 September 2015 and an interim dividend of 49.1 pence per ordinary share will be paid on 31 December 2015.

Election and re-election of Directors (Resolutions 4 to 11)

The Company's Articles of Association require that all Directors retire from office at each AGM and that those wishing to serve again shall submit themselves for election or re-election by the shareholders. Brief biographies of all the Directors appear on pages 32 and 33 of the 2015 Annual Report and Accounts and on the Company's website. Having considered the performance of and contribution made by each of the Directors, particularly in respect of Non-Executive Directors who have served in excess of six years, the Board is satisfied that the performance of each Director continues to be effective and to demonstrate commitment to the role and as such recommends their re-election. Dr Burnett will be retiring at the conclusion of the AGM and is not standing for re-election.

Reappointment and remuneration of Auditor (Resolutions 12 and 13)

Resolutions 12 and 13 propose the reappointment of PricewaterhouseCoopers LLP as Auditor of the Company and authorise the Audit Committee (on behalf of the Board) to set its remuneration.

Authority to make donations to political organisations and to incur political expenditure (Resolution 14)

Part 14 of the Act, amongst other things, prohibits the Company and its subsidiaries from making donations to an EU political party or other EU political organisation or to an independent election candidate in the EU of more than £5,000 in any 12 month period unless they have been authorised to make donations by the Company's shareholders.

The Act defines political organisations widely. It includes organisations which carry on activities which are capable of being reasonably regarded as intended to affect public support for a political party or an independent election candidate in any EU Member State or to influence voters in relation to any referendum in any EU Member State. As a result, it is possible that the definition may include bodies, such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the Company and/or its subsidiaries may see benefit in supporting.

Accordingly, the Company wishes to ensure that neither it nor its subsidiaries inadvertently commits any breaches of the Act through the undertaking of routine activities, which would not normally be considered to result in the making of political donations and political expenditure being incurred. The resolution authorises the Company and its subsidiaries to:

- i. make political donations to political parties, political organisations other than political parties, or independent election candidates, not exceeding £100,000 in total; and
- ii. incur political expenditure up to an aggregate amount not exceeding £100,000,

in the period commencing on the date of the resolution and ending at the conclusion of the AGM of the Company held in 2017 or, if earlier, the close of business on 31 March 2017.

Neither the Company nor any of its subsidiaries has any intention of making political donations or incurring any political expenditure under the terms of this resolution.

For the purpose of this resolution the terms "political donations", "political parties", "independent election candidates", "political organisations" and "political expenditure" have the meanings set out in sections 363 to 365 of the Act.

Directors' authority to allot securities (Resolution 15)

The Directors may only allot Ordinary Shares or grant rights over Ordinary Shares if authorised to do so by shareholders. The authority granted at the last AGM to allot Ordinary Shares or grant rights to subscribe for, or convert any security into, Ordinary Shares is due to expire at the conclusion of this year's AGM. Accordingly, this resolution seeks to grant a new authority under section 551 of the Act to authorise the Directors to allot Ordinary Shares or grant rights to subscribe for, or convert any security into, Ordinary Shares and will expire at the conclusion of the next AGM of the Company in 2017 or, if earlier, the close of business on 31 March 2017.

If passed, Resolution 15 would give the Directors authority to allot Ordinary Shares or grant rights to subscribe for, or convert any security into, Ordinary Shares up to an aggregate nominal value of £14,350,000 representing approximately 15 per cent of the Company's existing issued share capital (excluding Ordinary Shares held in treasury) and calculated as at 11 December 2015 (being the latest practicable date prior to publication of this notice).

There is no present intention of exercising this authority. However, it is considered prudent to maintain the flexibility that this authority provides. As at 11 December 2015, the Company held 77,289,137 Ordinary Shares in treasury, which represent approximately 7.5 per cent of the issued share capital (excluding Ordinary Shares held in treasury) as at 11 December 2015. The Directors intend to renew this authority annually.

Disapplication of pre-emption rights (Resolution 16)

Under section 561(1) of the Act, if the Directors wish to allot any shares or grant rights over shares or sell shares held in treasury for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the Directors will need the flexibility to finance business opportunities by the issue of Ordinary Shares for cash without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless the shareholders have first waived their pre-emption rights. Resolution 16 asks shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities, the authority will be limited to the issue of Ordinary Shares for cash up to a maximum aggregate nominal value of £4,793,000 (which includes the sale on a non pre-emptive basis of any Ordinary Shares held in treasury for cash), which is equivalent to approximately 5 per cent of the Company's issued share capital as at 11 December 2015 (being the latest practicable date prior to publication of this notice). The Directors do not intend to issue more than 7.5 per cent of the issued share capital of the Company for cash on a non pre-emptive basis in any rolling three year period without prior consultation with shareholders and the Investment Association etc. Shareholders will note that this resolution also relates to Ordinary Shares held in treasury and will be proposed as a special resolution.

This resolution seeks a disapplication of the pre-emption rights on a rights issue or other pre-emptive offer so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders. If given, the authority will expire at the conclusion of the next AGM of the Company in 2017 or, if earlier, the close of business on 31 March 2017. The Directors intend to renew this authority annually.

Authority to purchase own shares (Resolution 17)

In certain circumstances it may be advantageous for the Company to purchase its own Ordinary Shares and Resolution 17 seeks the authority from shareholders to continue to do so. Authority was given to the Company to make market purchases up to an aggregate of 95,709,000 of its Ordinary Shares at the AGM held on 28 January 2015 (being equal to approximately 10 per cent of the Company's issued ordinary share capital, excluding Ordinary Shares held in treasury, as at 11 December 2014, the latest practicable date prior to the publication of the notice for the AGM held on 28 January 2015). This authority is due to expire at the end of the AGM and it is proposed that the Company be authorised to make market purchases up to an aggregate of approximately 10 per cent of the Company's issued share capital, excluding Ordinary Shares held in treasury, as further described below. The Directors will exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and will be likely to promote the success of the Company for the benefit of its members as a whole. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority. Any Ordinary Shares purchased in this way will either be held in treasury or cancelled and the number of Ordinary Shares in issue reduced accordingly. If the Directors consider it appropriate to do so, the Company may hold in treasury any of its Ordinary Shares that it purchases pursuant to the Act and the authority conferred by this resolution as an alternative to cancelling them. This gives the Company the ability to reissue Ordinary Shares held in treasury quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with Ordinary Shares held in treasury. Ordinary Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under employee share schemes. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings, in respect of the Ordinary Shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the Ordinary Shares held in treasury.

The proposed authority would be limited to purchases of up to 95,870,000 Ordinary Shares which is equal to approximately 10 per cent of the Company's issued share capital, excluding Ordinary Shares held in treasury, as at 11 December 2015 (being the latest practicable date prior to publication of this notice). The resolution specifies the maximum and minimum prices at which the Company's Ordinary Shares may be bought.

The minimum price which may be paid for each Ordinary Share is 10 pence (exclusive of all expenses). The maximum price which may be paid for each Ordinary Share is the higher of the amount equal to 105 per cent of the average of the middle market prices shown in the quotations for the Ordinary Shares in the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the Ordinary Share is purchased and the amount stipulated by article 5(1) of the Buyback and Stabilisation Regulation 2003 (in each case exclusive of all expenses).

For information, as at 11 December 2015 (being the latest practicable date prior to publication of this notice) there were outstanding 5,125,782 awards and options to subscribe for Ordinary Shares, representing 0.53 per cent of the Company's issued share capital (excluding Ordinary Shares held in treasury). If both the new authority and the existing authority were exercised in full, the awards and options would represent 0.67 per cent of the Company's ordinary share capital (excluding Ordinary Shares held in treasury).

Resolution 17 will be proposed as a special resolution to provide the Company with the necessary authority. If given, this authority will expire at the conclusion of the next AGM of the Company in 2017 or, if earlier, the close of business on 31 March 2017.

The Directors intend to seek renewal of this power at subsequent AGMs.

Change of Company name (Resolution 18)

This resolution seeks shareholder approval to change the Company's name from Imperial Tobacco Group PLC to Imperial Brands PLC reflecting the increasing scope of the business following the completion of the US acquisition. If approved by shareholders the change of name will become effective after the necessary regulatory filings have been made.

Authority to hold general meetings (other than annual general meetings) on 14 clear days' notice (Resolution 19)

The notice period required by the Act for general meetings of the Company is 21 days unless shareholders approve a shorter period which cannot, however, be less than 14 clear days. AGMs must always be held on at least 21 clear days' notice. At the AGM held on 28 January 2015, shareholders authorised the calling of general meetings other than an AGM on not less than 14 clear days' notice, and it is proposed that this authority be renewed. The authority granted by Resolution 19, if passed, will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. Resolution 19 seeks the approval of shareholders to renew the authority to be able to call general meetings (other than an AGM) on 14 clear days' notice. The flexibility offered by Resolution 19 will only be used where, taking into account the circumstances, and noting the recommendations of the UK Corporate Governance Code 2014, the Directors consider this appropriate in relation to the business of the meeting and in the interests of the Company and shareholders as a whole.
