Forward-Looking Statements

This news release contains forward-looking information and forward-looking statements within the meaning of applicable Canadian securities laws (together "**forward-looking statements**"), including, the alignment of the Company's leadership and shareholders, and the associated results of the transactions contemplated in this press release on NowVertical's business, finances and operations. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management, are inherently subject to significant business, economic and competitive uncertainties, and contingencies, certain of which are unknown. Forward-looking statements generally can be identified by the use of forward-looking words such as "may", "should", "will", "could", "intend", "estimate", "plan", "anticipate", "expect", "believe" or "continue", or the negative thereof or similar variations. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause future results, performance, or achievements to be materially different from the estimated future results, performance or achievements expressed or implied by the forward-looking statements and the forward-looking statements are not guarantees of future performance. Forward-looking statements are qualified in their entirety by inherent risks and uncertainties, including: adverse market conditions; risks inherent in the data analytics and artificial intelligence sectors in general; regulatory and legislative changes; that future results may vary from historical results; inability to obtain any requisite future financing on suitable terms; any inability to realize the expected benefits and synergies of acquisitions or dispositions; that market competition may affect the business, results and financial condition of the Company and other risk factors identified in documents filed by the Company under its profile at www.sedarplus.com, including the Company's management's discussion and analysis for the year ended December 31, 2023. Further, these forward-looking statements are made as of the date of this news release and, except as expressly required by applicable law, the Company assumes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
