

CERTIFICATE OF QUALIFIED PERSON – RON JAMES

I, Ron James, B.Sc. Geology am an independent consultant, with address of 10/24 Woods Parade, Fairlight, New South Wales, Australia. This certificate applies to the technical report titled “NI 43-101 Resource Estimate for the Nueva Esperanza Project” that has an effective date of June 30, 2021 (the “technical report”).

- I am a member of the Australasian Institute of Mining and Metallurgy. I graduated with a degree in geology (B.Sc.) from the University of Canterbury in 1982.
- I have worked as a geologist for over 35 years since graduating from university. I have worked on precious metals, base metals, diamond and rare earth projects, including mine operations and evaluations. Similar resource estimation projects, specifically include those carried out for Kingsgate Consolidated at the Chatree Gold Mine in Thailand, Challenger Gold Mine in Australia and Nueva Esperanza pre-feasibility project in Chile, Ross Mining’s Gold Ridge Mine in Solomon Islands and White Range Gold and St. Barbara Mines in Australia with mines bearing the same name as the company name, as well as numerous due diligence gold, silver and zinc projects in Australia, Chile, Papua New Guinea, Laos and Cambodia.
- As a result of my experience and qualifications, I am a Qualified Person as defined in National Instrument 43–101 Standards of Disclosure for Mineral Projects (NI 43–101) and Competent Person as defined by The Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves (JORC Code).
- I have visited the property on multiple occasions.
- I am responsible for Sections: 1.7, 1.8, 1.10, 1.11.1, 1.12.1, 1.13.1, 10, 11, 12, 13, 25.3, 25.4, 25.5, 25.7.1, and 26.1 of the technical report.
- I am independent of TDG Gold Inc. as independence is described by Section 1.5 of NI 43–101.
- I have been involved with the Nueva Esperanza project since 2009 in the capacity of former Kingsgate Consolidated employee and subsequently as independent consultant since 2016.
- I have read NI 43–101 and the sections of the technical report for which I am responsible have been prepared in compliance with that Instrument.

As of the effective date of the technical report, to the best of my knowledge, information and belief, the sections of the technical report for which I am responsible contain all scientific and technical information that is required to be disclosed to make the technical report not misleading.

Dated: 11 August 2021
