Forward-Looking Statements
This press release includes certain "forward-looking statements" under applicable Canadian securities legislation. Forward-looking statements include, but are not limited to, statements with respect to the future business and operations of Mink and the final approval and completion of the Offering and the Qualifying Transaction. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. Such factors include, but are not limited to, general business, economic, competitive, political and social uncertainties; risk that the minimum Offering will not be satisfied; risk that the commodity price of base metals will decline making the Company less attractive to investors; and the delay or failure to receive applicable Board or regulatory approvals. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. These forward-looking statements are made as of the date hereof and Mink disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of newinformation, future events or results or otherwise, except as required by applicable securities laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
