4. Summary of Material Change

The Company has consolidated its common shares on the basis of one (1) post-consolidation share for every five (5) pre-consolidation shares.

5. Full Description of Material Change

5.1 Full Description of Material Change

Effective April 24, 2026, the Company consolidated its common shares (the "**Common Shares**") on the basis of five (5) pre-consolidation shares for one (1) post consolidation share (the "**Consolidation**"). The Company's name and ticker symbol remain unchanged following the Consolidation. The new CUSIP number is 89624B500 and the new ISIN number is CA89624B5009.

The Company had 208,122,285 Common Shares issued and outstanding on a pre-consolidation basis and approximately 41,624,457 Common Shares issued and outstanding on a post-Consolidation basis, subject to adjustment for rounding.

The aggregate number of common shares held by such holder were rounded down to the nearest whole common share. All outstanding convertible instruments (including convertible debentures, options and warrants) will be adjusted on the equivalent ratio of the Consolidation.

The Company's post-Consolidation Common Shares began trading on the Canadian Securities Exchange ("**CSE**") on April 24, 2026.

As a result of the Consolidation, the Company's trading symbol on the OTCQB will temporarily change to "TRLED" for 20 trading days, after which it is expected to revert to "TRLEF".

Registered shareholders will receive a letter of transmittal from the Company's transfer agent, Odyssey Trust Company, with instructions regarding exchanging share certificates. Common

Shares held in book-entry form through a broker or other intermediary will be adjusted automatically. Shareholders with questions regarding the Consolidation are encouraged to contact their broker or Odyssey Trust Company directly.
