

Our Ref: UK30999 Consent Letter WEBBv02.docx

14 September, 2021

To: TSX Venture Exchange,
Nova Scotia Securities Commission,
Ontario Securities Commission,
Alberta Securities Commission,
British Columbia Securities Commission,
Newfoundland Securities Commission.
(Delivered by email)

Dear Sirs and mesdames:

We do hereby consent to the public filing of technical report entitled *Independent Technical Report, Eureka Rare Earth Project, Namibia* and dated effective August 2, 2021 (the "Technical Report") by Battery Road Capital Corp. (the "Issuer"), with the TSX Venture Exchange under its applicable policies and forms in connection with the Qualifying Transaction of the Issuer (as defined by TSXV Policy 2.4) in which the Issuer has entered into a definitive share exchange agreement dated October 10, 2020 with E-Tech Kalapuse Mining (Pty) Ltd. and its shareholders, as amended, to provide for the completion of a business combination with the Issuer (the "Transaction"). We acknowledge that the Technical Report will become part of the Issuer's public record.

We additionally consent to being named in the management information circular (the "Circular") dated 15 September, 2021 prepared in connection with the Transaction and for the Technical Report, and its contents to be referenced therein.

We report that we have read the Circular [Redline - Battery Road QT - stepxx - Meeting Circular-4123-8313-3224-v32 and Battery Road QT - stepxx - Meeting Circular-4123-8313-3224-v34.pdf] and information referenced therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Technical Report which we have produced or that are within our knowledge as a result of Technical Report.

This letter is provided solely for the purpose of assisting the regulatory authorities to which it is addressed in discharging its responsibilities and should not be used for any other purpose.

Sincerely,

For and on behalf of SRK Consulting (UK) Limited

Keith Webb
Associate Exploration Geologist
