

CONSENT OF QUALIFIED PERSON

TO: Silver Pony Resources Corp.

AND TO: Carlyle Commodities Corp.

I, Warren Robb, P.Geo., of British Columbia, Canada, hereby consent to:

1. The public filing of the Technical Report entitled:

"Technical Report on the Silver Pony Project 2026, Located in the Slocan and Revelstoke Mining Divisions, British Columbia, Canada" with an effective date of June 15, 2026 (the "Technical Report"), of which I am the author and independent Qualified Person.

2. The use of my name, professional designation, and the Technical Report, including any extracts, summaries, interpretations, conclusions, recommendations, figures, tables, scientific information and technical information derived therefrom, in connection with:

(a) the proposed reverse takeover transaction between Silver Pony Resources Corp. and Carlyle Commodities Corp.;

(b) the listing of the resulting issuer on the Canadian Securities Exchange;

(c) the preparation and filing of a listing statement (the "Listing Statement"), management information circular, prospectus, offering document, news release, material change report, annual information form, technical report filing, and any other continuous disclosure or securities filing required under applicable securities laws; and

(d) any amendments, supplements or restatements of the foregoing documents.

3. The filing of the Technical Report on SEDAR+ and its incorporation by reference, in whole or in part, into any disclosure document prepared in connection with the reverse takeover transaction, listing application, financing, or other corporate transaction involving Silver Pony Resources Corp. or the resulting issuer.

I hereby confirm that I have read the disclosure contained in the Listing Statement insofar as it relates to the scientific and technical information contained in the Technical Report and, to the best of my knowledge, information and belief, such disclosure fairly and accurately represents the information and conclusions contained in the Technical Report.

I am a Professional Geoscientist registered with Engineers and Geoscientists British Columbia and a "Qualified Person" as defined in National Instrument 43-101 – Standards of Disclosure for Mineral Projects ("NI 43-101"). I am independent of Silver Pony Resources Corp. and the Silver Pony Project within the meaning of NI 43-101.

DATED at Maple Ridge, British Columbia, this 16th day of July, 2026.

/signed/ "Warren Robb"
