Attention: Marek Jasinski, CEO

Dear Sirs:

Re: Proposed Qualifying Transaction

This binding letter of intent (“**Letter of Intent**”) describes the basis upon which BMGB Capital Corp. (“**BMGB**”) and NAVCO Pharmaceuticals Limited (“**NAVCO**”) are prepared to complete a business combination by way of a share exchange agreement or other similar form of transaction the exact form of which to be determined by the parties having regard to tax and financial considerations (the “**Proposed Transaction**”).

The Proposed Transaction is intended to constitute a qualifying transaction for BMGB pursuant to the policies of the TSX Venture Exchange (the “**TSXV**”). BMGB is a capital pool company (“**CPC**”) in good standing as a reporting and listed issuer and is qualified to enter into the Proposed Transaction and is not aware of any reason why it cannot effect the Proposed Transaction.

ARTICLE 1

THE PROPOSED TRANSACTION

Section 1.1 Binding Provisions.

The provisions set out in this ARTICLE 1 are intended to outline the principal terms and conditions upon which the parties wish to complete the Proposed Transaction and will be legally binding and enforceable upon execution of this Letter of Intent by the parties, subject only to the conditions precedent contained in Section 1.4 being satisfied.

Section 1.2 Definitive Agreement.

Detailed terms between the parties relating to the Proposed Transaction will be contained in a definitive written agreement to be negotiated among, and satisfactory to, the parties and (as applicable) their respective counsel (the “**Definitive Agreement**”), which Definitive Agreement shall supersede and replace this Letter of Intent. The parties hereto acknowledge and agree that if, in connection with finalizing the Definitive Agreement, a particular legal structure is determined by one or both parties hereto to be beneficial or advisable for the purpose of addressing any liability, corporate or tax concerns of the parties, the parties shall, at such time, consider in good faith available alternatives that would best address such issues. The Definitive Agreement will contemplate a closing date sometime after the date on which the Definitive Agreement is executed and after the conditions in the Definitive Agreement have been satisfied.

Section 1.3 Principal Terms of Proposed Transaction.

The principal terms of the Proposed Transaction include:

- (a) on closing (“**Closing**”) of the Proposed Transaction, BMGB (which, following Closing, will be the “**Resulting Issuer**”, which shall have a name agreed to by the parties in writing, acting reasonably) shall, subject to adjustment as contemplated herein, issue an aggregate of 8,500,000 BMGB common shares (the “**Vend-In Shares**”) pro rata to the NAVCO shareholders at deemed price of \$0.30 per share, representing an aggregate valuation for NAVCO under the Proposed Transaction of \$2,550,000 in accordance with the pro forma capitalization table attached as Schedule A hereto;
- (b) prior to closing the Proposed Transaction, BMGB will conduct an equity financing (the “**Private Placement**”) having gross proceeds of no less than \$1,450,000, anticipated to be at a share price of \$0.30 per share (for greater certainty, the Private Placement may include share purchase warrants as well as shares, if agreed to in writing by the parties), subject to any adjustments mutually agreed in writing between the parties;
- (c) the board of directors and management of the Resulting Issuer shall be those persons mutually determined by the parties, acting reasonably;
- (d) on or prior to the execution of this Letter of Intent, BMGB has provided or shall provide to NAVCO an unsecured loan in the amount of \$25,000, which: shall bear interest at 6% per annum, compounded monthly; is required by NAVCO to preserve its assets; and shall be repayable on or before the earlier of: (i) December 31, 2020; and (ii) the date which is 30 days after the date on which this Letter of Intent is terminated pursuant to any of subsections 3.3(a) to (g); and
- (e) as soon as practicable following execution of this Letter of Intent, BMGB and NAVCO will negotiate in good faith a loan agreement (the “**Loan Agreement**”) and general security agreement (the “**GSA**”) under which BMGB shall make a secured loan to NAVCO under the following terms:
 - (i) BMGB shall provide a “line of credit” loan for up to additional \$75,000 (the “**Secured Loan**”) during the term of the Letter of Intent on or before the date which is two (2) business days following receipt of any required TSXV approval of the Loan Agreement, which Secured Loan may be drawn by NAVCO for purposes agreed to in writing by BMGB, not to be unreasonably withheld at any time and from time to time;
 - (ii) the Secured Loan shall be secured against all of the present and after acquired property of NAVCO pursuant to the GSA;
 - (iii) any amounts drawn under the Secured Loan shall bear interest at 6% per annum, compounded monthly;
 - (iv) any amounts drawn under the Secured Loan, and any interest payable thereon, shall be repayable on or before the earlier of: (i) December 31, 2020; and (ii) the date which is 30 days after the date on which this Letter of Intent is terminated pursuant to any of subsections 3.3(a) to (g); and
 - (v) the Secured Loan, the Loan Agreement and the GSA will be subject to the policies of the TSXV and, if and as required, to the approval of the TSXV.

- (f) The number of shares to be issued in exchange for the NAVCO shares may be increased in respect of up to 6,000,000 additional shares issued by NAVCO, for cash at a price of no less than \$0.05, prior to Closing, to a maximum of 14,500,000 shares of BMGB issued pro rata to the shareholders of NAVCO.

The conditions precedent set out in Section 1.4(a) are inserted for the sole benefit of BMGB and the conditions precedent set out in Section 1.4(b) are inserted for the sole benefit of NAVCO. Either of the parties may refuse to proceed with the Closing if any condition precedent inserted for its benefit is not fulfilled to its reasonable satisfaction prior to the Closing Date (or any applicable earlier date) and, except as otherwise agreed in this Letter of Intent, it shall incur no liability to any other party by reason of such refusal. The said conditions precedent, where not otherwise required by law or the TSXV, may be waived in whole or in part by the party for whose benefit they are inserted in that party's absolute discretion. No such waiver shall be of any effect unless it is in writing signed by the party granting the waiver.

Section 1.6 Access to Information.

In connection with the due diligence investigation to be undertaken by each of the parties in respect of the Proposed Transaction, each party will allow the other and its respective authorized representatives, including legal counsel and consultants, access to all information, books or records and its personnel as may be reasonably requested. Section 1.7 Escrow.

The parties acknowledge that a portion of the Vend-In Shares to be issued as part of the Proposed Transaction may be subject to escrow or resale restrictions that will be imposed by the policies of the TSXV or applicable securities law. The parties further acknowledge that in such event these escrowed Vend-In Shares shall be held in escrow and released over time, or imprinted with legends restricting their resale, as determined by the TSXV. The parties agree that the terms of the escrow shall be negotiated by counsel for BMGB, in consultation with counsel for NAVCO and the TSXV, and the parties hereto agree to accept such terms imposed by the TSXV provided such escrow is in compliance with the published policies of the TSXV.
