- 4.1 From and after the date hereof, the Issuer shall provide the Shareholder with quarterly exploration reports updating the status of the Issuer's work programs on its Timmins Area Projects including, but not limited to, reasonable access to the Issuer's scientific and technical data, work plans and programs, permitting information and results of operations. - 4.2 Subject to Sections 4.3 to 4.6 inclusive below and compliance with Applicable Legislation and, if required, the acceptance of the TSXV, from and after the date hereof the Shareholder shall have the following rights in respect of any future private or public equity financing for cash (each an "**Equity Financing**"), of Common Shares or Convertible Securities (collectively, the "**Equity Securities**") undertaken by the Issuer, but excluding any non-cash equity issuances, options granted or Common Shares issued pursuant to the Issuer's stock option plan, or Common Shares issued upon the exercise of share purchase warrants or other Convertible Securities:
- (a) the right (but not the obligation) to participate, on a *pro rata* basis, in any future Equity Financing undertaken by the Issuer to the extent required to allow the Shareholder to maintain its equity ownership percentage interest in the Issuer to a maximum of 9.9% of the issued and outstanding Common Shares of the Issuer (on a non-diluted basis) immediately following the closing of such Equity Financing (the "**Participation Right**"); and
 - (b) the right (but not the obligation) to participate in any future Equity Financing of Equity Securities undertaken by the Issuer to the extent required to allow the Shareholder to maintain or increase, as the circumstances require, its equity ownership percentage interest in the Issuer to a maximum of 9.9% of the issued and outstanding Common Shares of the Issuer (on a non-diluted basis) immediately following the closing of such Equity Financing (the "**Top-up Right**").
- 4.3 For the purposes of calculating the Shareholder's subscription entitlement in any Equity Financing pursuant to 4.2(a) or 4.2(b), respectively, the Issuer and the Shareholder acknowledge and agree that such calculation shall be determined with reference to and shall include all Common Shares to be acquired by subscribers in such Equity Financing, including any subscriptions or purchases pursuant to a third party's pro rata or participation right.
- 4.4 If the Issuer determines to proceed with an Equity Financing, the Issuer shall give notice of such proposed Equity Financing to the Shareholder as soon as possible after public announcement of such Equity Financing. If the Shareholder wishes to exercise its Participation Right or its Top-up

Right, the Shareholder must provide the Issuer with written notice (the “**Equity Financing Notice**”) that it is exercising its Participation Right or its Top-up Right before the earlier of (i) 48 hours after public announcement of the Equity Financing if the Equity Financing is a “bought deal” public offering; and (ii) five Business Days of the Shareholder’s receipt of the notice of the Equity Financing, failing which the Shareholder shall be deemed to have elected not to exercise its rights under Section 4.2. If the Shareholder delivers the Equity Financing Notice to the Issuer as prescribed hereunder, subject to Applicable Legislation, the Issuer and the Shareholder shall proceed to complete the purchase and sale of the additional Equity Securities that are the subject of the Equity Financing, which completion may take place concurrently with and subject to the closing of other Equity Securities forming part of such Equity Financing, *provided that* the issue price to the Shareholder, unless not permitted by the stock exchange on which the Common Shares trade, shall be equivalent to the issue price under the Equity Financing. In the case of an Equity Financing that is a “bought deal” public offering, unless otherwise agreed by the underwriters and the Issuer prior to the public announcement of such Equity Financing, the Equity Securities that the Shareholder elects to purchase shall be issued in a concurrent private placement, subject to Applicable Legislation. If the Shareholder elects, or is deemed to have elected (as described above), not to exercise its Participation Right or Top-up Right then the Issuer may, at any time during the following 45 days (the “**45 Day Closing Period**”), complete the Equity Financing on such terms and conditions as the Issuer may determine, in its discretion.

- 4.5 Upon request of the Shareholder, the Issuer shall form of a technical committee of the Issuer (the “**Technical Committee**”) to determine exploration priorities in respect of the Issuer’s Timmins Area Projects. The Shareholder shall have the right (but not the obligation) to appoint 50% of the members of the Technical Committee. Upon receipt of such request by the Shareholder, the Issuer will take all necessary steps to form the Technical Committee as soon as reasonably practicable. The Technical Committee will meet no more than four times per calendar year unless mutually agreed otherwise. For clarity, the Technical Committee will provide input and guidance to the Issuer in regard to the exploration program, but management and the Board of the Issuer will have final discretion over decisions made in respect of work programs and budgets on the Timmins Area Projects.
- 4.6 The Shareholder shall have the right of first refusal (the “**ROFR**”) over any third party offers regarding a tolling arrangement, streaming arrangement, royalty sale or other non-equity financing (each, a “**Non-Equity Financing**”) for the purpose of funding the future exploration and development of any of the Issuer’s projects. The Issuer shall provide the Shareholder with prompt notice, including the material terms, of any such proposed Non-Equity Financing and the Shareholder shall have a period of 10 days following receipt of such notice to exercise the ROFR and indicate that it wishes to enter into an agreement with respect to such Non-Equity Financing. If the Shareholder does not exercise its rights within such 10 day period, then the Issuer may, at any time during the following 30 days, complete the proposed Non-Equity Financing, provided that such Non-Equity Financing is completed upon the same terms and conditions as those set out in the notice provided to the Shareholder. The parties agree that this right does not apply to the sale of claims to a third party by Issuer.
- 4.7 The Issuer acknowledges and agrees that the Shareholder could be irreparably harmed if any provisions of this Section 4 are not fulfilled or met by the Issuer, and that any such harm may not be compensated reasonably or adequately in damages. The Issuer further acknowledges and agrees that the Shareholder may be entitled to injunctive and other equitable relief to prevent or restrain breaches of such provisions or to enforce the terms and conditions thereof, by an action instituted in a court of competent jurisdiction in the Province of British Columbia, which remedy or remedies are in addition to any other remedy to which the Shareholder may be entitled at law or in equity, and the Issuer agrees to waive any requirement for the securing or posting of any bond or other

security, in connection with any remedy as contemplated herein.
