A-Labs Capital II Corp. Announces Adoption of Semi-Annual Reporting

Vancouver, B.C. – May 7, 2026 - A-Labs Capital II Corp. (TSXV: ALAB) (the "**Company**" or "**A-Labs**") announces the adoption of semi-annual financial reporting. This news release is being filed pursuant to Coordinated Blanket Order 51 – 933 *Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers* ("**CBO 51-933**").

CBO 51-933 allows eligible venture issuers to voluntarily move from a quarterly to a semi-annual financial reporting framework. A-Labs' fiscal year ends on December 31. Under the provisions of CBO 51-933, A-Labs will be exempt from the requirements to file its three-month interim financial statements and associated management's discussion and analysis ("**MD&A**") as it meets the eligibility criteria under CBO 51-933, which include being a venture issuer with annual revenues of less than $10 million and maintaining a clean 12-month continuous disclosure record. Accordingly, A-Labs will not be filing its interim financial statements for the three-month period ending March 31, 2026 and associated MD&A.

A-Labs will continue to file audited annual financial statements (due within 120 days of December 31, 2026) and six-month interim financial reports (due within 60 days of June 30, 2026). A-Labs remains committed to timely disclosure and will continue to report all material changes and significant developments as required under National Instrument 51-102 – *Continuous Disclosure Obligations*.

FORWARD LOOKING STATEMENTS

Statements in this news release which are not purely historical are forward-looking statements, including any statements regarding beliefs, plans, expectations, or intentions regarding the future. Forward looking statements in this news release include, but are not limited to, statements regarding the Company's adoption of semi-annual financial reporting; the Company's intention not to file interim financial reports for the three-month and nine-month *interim periods; the Company's ongoing eligibility to rely on CBO 51-933; and the Company's commitment and intention to file the audited annual financial statements and the six-month interim financial reports as well as report all material changes and significant developments as required under National Instrument 51-102 – Continuous Disclosure Obligations.. Risks and uncertainties include changes to the Company's financial or regulatory standing; changes to or revocation of CBO 51-933; and changes in securities legislation or the policies of the TSX Venture Exchange . Labor shortages, inflationary pressures, rising interest rates, the global financial climate and international conflicts are some additional factors that are affecting current economic conditions and increasing economic uncertainty, which may impact the Company's operating performance, financial position, and prospects. Collectively, the potential impacts of this economic environment pose risks that are currently indescribable and immeasurable. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. Readers are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly, are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements. Additional risk factors are discussed in the section entitled "Risk Factors" in the Company's MD&A for its recently completed fiscal period, which is available under the Company's SEDAR+ profile at www.sedarplus.ca. Except as required by law, the Company will not update or revise these forward-looking statements after the date of this document or to revise them to reflect the occurrence of future unanticipated events.*
