

ESE Entertainment Announces DTC Eligibility for its Common Shares

Vancouver, BC, November 2, 2020 – **ESE Entertainment Inc.** (TSXV: ESE) (OTC PINK: ENTEF) (the “**Company**” or “**ESE**”) is pleased to announce that its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (“**DTC**”) in the United States.

DTC is a subsidiary of the Depository Trust & Clearing Corporation, a U.S. company that manages the electronic clearing and settlement of publicly traded companies. Securities that are eligible to be electronically cleared and settled through DTC are considered to be “DTC eligible”. DTC eligibility is expected to simplify the process of trading and enhance liquidity of the Company’s common shares in the United States.

The Company’s common shares are now listed for trading on the OTC, a U.S. based securities trading system, under the symbol “ENTE”. The Company’s shares will continue to be traded on the TSX Venture Exchange under the symbol “ESE”.

About ESE Entertainment Inc.

ESE is a European based entertainment and technology company focused on gaming, particularly on esports. ESE consists of multiple assets and world-class operators in the gaming and esports industries. Capabilities include but are not limited to: physical infrastructure, broadcasting, global distribution for gaming and esports-related content, advertising, sponsorship support, and a growing esports team franchise. This news release contains certain statements that may constitute forward-looking information under applicable securities laws. All statements, other than those of historical fact, which address activities, events, outcomes, results, developments, performance or achievements that ESE anticipates or expects may or will occur in the future (in whole or in part) should be considered forward-looking information. Such information may involve, but is not limited to, comments with respect to: the Company’s common shares being listed for trading on the OTC and the expectation that DTC eligibility will simplify the process of trading and enhance liquidity of the Company’s common shares in the United States; live activations; building out the Company’s professional player and influence roster; and strategies, expectations, planned operations and future actions of the Company. Often, but not always, forward-looking information can be identified by the use of words such as “plans”, “expects”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates”, or “believes” or variations (including negative variations) of such words and phrases, or statements formed in the future tense or indicating that certain actions, events or results “may”, “could”, “would”, “might” or “will” (or other

variations of the forgoing) be taken, occur, be achieved, or come to pass. Forward-looking information is based on currently available competitive, financial and economic data and operating plans, strategies or beliefs as of the date of this news release, but involve known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, performance or achievements of ESE to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors may be based on information currently available to ESE, including information obtained from third-party industry analysts and other third-party sources, and are based on management's current expectations or beliefs regarding future growth, results of operations, future capital (including the amount, nature and sources of funding thereof) and expenditures. Any and all forward-looking information contained in this press release is expressly qualified by this cautionary statement. The Company does not undertake to update any forward-looking information contained herein, except as required in accordance with applicable securities laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
