

# Plurilock Announces DTC Eligibility

## Increases Accessibility for U.S. Investors

Victoria, British Columbia--(Newsfile Corp. - March 1, 2021) - Plurilock Security Inc. (TSXV: PLUR) (OTCQB: PLCKF) ("Plurilock" or the "Company"), an innovative cybersecurity company that provides frictionless and continuous authentication, is pleased to announce it has received approval from the Depository Trust Company ("DTC") to make their shares eligible on the OTC, allowing United States investors to clear their trades seamlessly under the ticker "PLCKF".

"We are excited to announce we are now DTC eligible and are in a position to provide U.S. investors a broader access to our shares," said Ian L. Paterson, CEO of Plurilock Security Inc. "As a publicly listed cybersecurity company with U.S.-based customers, we have made it a focus to expand our investor awareness efforts in the American market while we look to share our vision with a growing shareholder base globally."

DTC is a subsidiary of the Depository Trust and Clearing Corporation (DTCC), one of the world's largest securities depositories that manages the electronic clearing and settlement of publicly traded companies. Plurilock securities are now eligible to be electronically cleared and settled which will streamline the process of trading, enhance liquidity, and provide direct access to investors in the U.S. OTC capital markets.

### About Plurilock

Plurilock is an innovative, identity-centric cybersecurity company that reduces or eliminates the need for passwords, extra authentication steps, and cumbersome authentication devices. Plurilock's software leverages state-of-the-art behavioral-biometric, environmental, and contextual technologies to provide invisible, adaptive, and risk-based authentication solutions with the lowest possible cost and complexity. Plurilock enables organizations to compute safely-and with peace of mind.

### Forward-Looking Statements

This press release may contain certain forward-looking statements and forward-looking information (collectively, "forward-looking statements") which relate to future events or Plurilock's future business, operations, and financial performance and condition. Forward-looking statements normally contain words like "will", "intend", "anticipate", "could", "should", "may", "might", "expect", "estimate", "forecast", "plan", "potential", "project", "assume", "contemplate", "believe", "shall", "scheduled", and similar terms. Forward-looking statements are not guarantees of future performance, actions, or developments and are

based on expectations, assumptions and other factors that management currently believes are relevant, reasonable, and appropriate in the circumstances. Although management believes that the forward-looking statements herein are reasonable, actual results could be substantially different due to the risks and uncertainties associated with and inherent to Plurilock's business. Additional material risks and uncertainties applicable to the forward-looking statements herein include, without limitation, unforeseen events, developments, or factors causing any of the aforesaid expectations, assumptions, and other factors ultimately being inaccurate or irrelevant. Many of these factors are beyond the control of Plurilock. All forward-looking statements included in this press release are expressly qualified in their entirety by these cautionary statements. The forward-looking statements contained in this press release are made as at the date hereof and Plurilock undertakes no obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required by applicable securities laws.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
