

# Plurilock Announces the Passing of Board Director Molly Falconer de Ramel

Vancouver, British Columbia--(Newsfile Corp. - November 4, 2021) - Plurilock Security Inc. (TSXV: PLUR) (OTCQB: PLCKF) and related subsidiaries ("Plurilock" or the "Company"), an identity-centric cybersecurity solutions provider for workforces, announces with deep sorrow that Molly Falconer de Ramel, one of the Company's directors, has passed away.

Ms. de Ramel joined the Board of Directors of Plurilock in March 2021, as [previously announced on March 15, 2021](#), bringing with her 20 years of experience leading North American executives, as well as extensive coaching and media experience.

In addition to her role as a director, Molly served as CEO of executive coaching firm Periwinkle, LLC. Prior to her coaching career, she worked as a news anchor and a reporter at Fox News Channel, where she produced live reports covering financial markets such as the NYSE and NASDAQ. She was a recipient of the prestigious John Harvard Scholar Award at Harvard University for which she graduated Magna Cum Laude.

Robert Kiesman, Chairman of Plurilock, commented, "When Plurilock became a public company last year, we quickly sought to increase the stature and sophistication of our board. Plurilock benefitted immensely when Molly Falconer de Ramel joined our company as a director, as she brought a tremendous amount of experience in the American business community and media. In addition to her stellar professional achievements, she was also a very pleasant and warm person to work with. We are all grateful to have known and worked with her, for what was far too short a time. On behalf of the Plurilock team, we send our sincere condolences to Molly's family and friends."

## About Plurilock

Plurilock provides identity-centric cybersecurity for today's workforces. The Plurilock family of companies enables organizations to operate safely and securely while reducing cybersecurity friction. Plurilock offers world-class IT and cybersecurity solutions through its Solutions Division, paired with proprietary, AI-driven and cloud-friendly security through its Technology Division. ## Forward-Looking Statements

This press release may contain certain forward-looking statements and forward-looking information (collectively, "forward-looking statements") which relate to future events or Plurilock's future business,

operations, and financial performance and condition. Forward-looking statements normally contain words like "will", "intend", "anticipate", "could", "should", "may", "might", "expect", "estimate", "forecast", "plan", "potential", "project", "assume", "contemplate", "believe", "shall", "scheduled", and similar terms. Forward-looking statements are not guarantees of future performance, actions, or developments and are based on expectations, assumptions and other factors that management currently believes are relevant, reasonable, and appropriate in the circumstances. Although management believes that the forward-looking statements herein are reasonable, actual results could be substantially different due to the risks and uncertainties associated with and inherent to Plurilock's business. Additional material risks and uncertainties applicable to the forward-looking statements herein include, without limitation, unforeseen events, developments, or factors causing any of the aforesaid expectations, assumptions, and other factors ultimately being inaccurate or irrelevant. Many of these factors are beyond the control of Plurilock. All forward-looking statements included in this press release are expressly qualified in their entirety by these cautionary statements. The forward-looking statements contained in this press release are made as at the date hereof and Plurilock undertakes no obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required by applicable securities laws.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
