CBD Global Sciences Initiates CBD Distillate Supplier Relationship with Harmony Hemp

Denver, Colorado, January 7, 2020 – CBD Global Sciences, Inc. (CSE: **CBDN**) (Frankfurt:GS3), “**CBD Global**” or the “**Company**”), is pleased to announce a significant initial purchase order and final delivery of CBD Distillate to Harmony Hemp a major manufacturer and seller of high-quality CBD products sold as both proprietary branded and private-label throughout the United States.

Harmony Hemp (<https://harmonyhemp.com/>) intends to purchase additional distillate over the coming months as they continue to see growing demand and continued expansion into additional national retail chains. CBD Global and Harmony Hemp are anticipating their new relationship will expand into a more formal definitive supply agreement.

Brad Wyatt, CEO of CBD Global, stated, “CBD Global is pleased to be a supplier to Harmony Hemp of our high-quality distillate product grown on our own Colorado farms through our wholly owned subsidiary Strasburg Pharms”. Wyatt added, “As a seed-to-sale fully vertically integrated operator, we are focused on providing the highest quality raw materials for our own products as well as those of our carefully selected partners. We look forward to our expanding relationship with Harmony Hemp as they continue the rapid growth of their diversified product line into their many retail channels”.

Courtney Roundy, CEO of Harmony Hemp, explained, “We have been working closely with CBD Global Sciences for several months and we believe that their commitment to stringent internal quality controls match well with our own commitment to providing the highest quality products available in the market to the end consumer”. Roundy added, “We are excited to move our relationship forward with CBD Global Sciences”.

ABOUT CBD GLOBAL SCIENCES INC.

CBD Global Sciences, Inc., is a vertically integrated hemp-based CBD producer, extractor, and branding investment vehicle which currently owns two product categories, branded under the name AETHICS (www.aethics.com) and CANNAOIL (www.cannaoilshop.com), which include CBD Oil tinctures (liquid

products), CBD capsules, CBD topicals and CBD hydration products. CBD Global Sciences hemp-derived CBD extracts are sold through select distributors, brick and mortar retailers, and online.

CBD Global Sciences, through its wholly owned subsidiary, Strasburg Pharms, grows and operates irrigated land in Colorado, that grows hemp with only all-natural Colorado water, soil, sun and nutrients and NEVER sprayed with pesticides or chemicals. Our genetics are hand selected and maintained to present the best cannabinoid profile with extremely high CBD. The extraction/processing facility, operated by CBD Global Sciences, is located approximately 40 minutes from the farm.
