Dear Sirs/Mesdames:

Re: Wolverine Energy and Infrastructure Inc. (the “Company”)
Notice of Intent
Project Number: 03553091

On June 25, 2023, the Company filed a Notice of Intention to Distribute Securities on the Form 45-102F1 inadvertently under a Notice of Intent under National Instrument 44-101 under SEDAR Project No. 03553091. The Form 45-102F1 was subsequently filed correctly under the resale of securities on SEDAR project number no. 03553096.

We therefore file this correction notice via SEDAR under a Notice of Withdrawal to correct that the Company is not a short form prospectus authorized issuer.

Yours truly,

Wolverine Energy and Infrastructure Inc.
