Offers' Document

6 February 2012

THIS DOCUMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION

If you are in any doubt about the action to be taken, you should immediately consult your independent financial adviser authorised pursuant to the FSMA 2000.

This document, which constitutes a financial promotion for the purposes of Section 21 of the FSMA 2000, has been approved, for the purposes of that section only, by Octopus Investments Limited ("Octopus"), which is authorised and regulated by the Financial Services Authority in the United Kingdom, pursuant to the FSMA. In approving this document, Octopus is acting solely for the Companies and no-one else and will not be responsible to anyone other than the Companies for providing the protections afforded to customers of Octopus or for providing financial advice in relation to the subject of this document. This document contains details of the Octopus AIM VCTs' top up offers for the tax year 2011/2012 for New Shares in each of the Companies (each an "Offer" and together the "Offers").

There is no guarantee that a Company's investment objective will be attained. The levels and bases of reliefs from taxation described in this document are those currently available. These may change and their value depends on an investor's individual circumstances. No person, other than Octopus, has been authorised to issue any advertisements or give any information, or make any representations in connection with the Offers, other than those contained in this document, and if issued, given or made, such advertisements, information or representations must not be relied upon as having been authorised by the Companies. This document does not constitute either a prospectus or listing particulars.

Each Company accepts responsibility for the information contained in this document relating to it and the terms of its Offer, but accepts no responsibility for any information contained in this document specifically relating to the other Company or its Offer. The Board of each Company has taken reasonable care to ensure that all applicable facts in this document in respect of its Company are true, fair and not misleading. The attention of prospective investors is drawn to the Risk Factors section of this document.

Applications will be made to the UK Listing Authority for the New Shares issued by each Company to be admitted to the premium segment of Official List and to the London Stock Exchange for the admission of such New Shares to trading on its main market for listed securities. It is expected that admission will become effective and that dealings in the New Shares will commence within ten business days of their allotment. Each Company's existing issued Shares are traded on the London Stock Exchange plc's main market for listed securities.

The Offers are not being made, directly or indirectly, in or into the United States, Canada, Australia, Japan or the Republic of South Africa or their respective territories or possessions, and documents should not be distributed, forwarded or transmitted in or into such territories. The New Shares have not been and will not be registered under the United States Securities Act of 1933 (as amended) and may not be offered, sold or delivered, directly or indirectly, in or into the United States, Canada, Australia, Japan or the Republic of South Africa.

Allotments under the Offers	5 April 2012
Closing date of the Offers 2011/2012 tax year	12pm (noon) on 5 April 2012

- The Offers will close earlier if fully subscribed. Each Board reserves the right to close its Company's Offer earlier and to accept Applications and issue New Shares at any time.
- Dealings are expected to commence in New Shares within ten business days of allotments and share and tax certificates will be dispatched within 14 business days of allotments.

STATISTICS

Costs of each Offer	5.5%
Intermediary commissions – upfront	2.5% upfront

- The costs of each Offer are capped at 5.5% (including intermediary commissions). Octopus has agreed to indemnify each Company against its Offer costs in excess of this amount. Octopus will be responsible for the payment of trail commission.

RISK FACTORS

- Prospective investors should consider carefully the following risk factors in addition to the other information presented in this document. If any of the risks described below were to occur, it could have a material effect on each Company's business, financial condition or results of operations. The risks and uncertainties described below are not the only ones each Company or its Shareholders will face. Any decision to invest under the Offers should be based on consideration of this document as a whole.
- The value of the Shares could decline due to any of the risk factors described below and Shareholders could lose part or all of their investment. Prospective investors should consult an independent financial adviser authorised under FSMA.
- The value of Shares can fluctuate and investors may not get back the amount they invested. In addition, there is no certainty that the market price of Shares will fully reflect their underlying NAV (Net Asset Value) or that any dividends will be paid, nor should Shareholders rely upon any Share buy-back policy to offer any certainty of selling their Shares at prices that reflect the underlying NAV.
- Although the existing Shares have been (and it is anticipated that the New Shares will be) admitted to the Official List and are (or will be) traded on the London Stock Exchange's market for listed securities, the secondary market for VCT shares is generally illiquid and, therefore, there may not be a liquid market (which may be partly attributable to the fact that initial income tax reliefs are not available for VCT shares generally bought in the secondary market and because VCT shares usually trade at a discount to NAV) and Shareholders may find it difficult to realise their investment. An investment in either Companies should, therefore, be considered as a long-term investment.
- The past performance of either Company and/or Octopus is no indication of future performance. The return received by Shareholders will be dependent on the performance of the underlying investments of either Company. The value of such investments, and interest income and dividends therefrom, may rise or fall.
- Although a Company may receive customary venture capital rights in connection with some of its unquoted investments, as a minority investor it may not be in a position to fully protect its interests.
- A Company's investments may be difficult, and take time, to realise. There may also be constraints imposed on the realisation of investments in order to maintain the VCT tax status of either Company.
- It can take a number of years for the underlying value or quality of the businesses of smaller companies, such as those in which the Companies invest, to be fully reflected in their market values and their market values are often also materially affected by general market sentiment, which can be negative for prolonged periods.
- Investment in AIM-traded, PLUS market-traded and unquoted companies, by its nature, involves a higher degree of risk than investment in companies listed on the Official List. In particular, small companies often have limited product lines, markets or financial resources and may be dependent for their management on a small number of key individuals and may be more susceptible to political, exchange rate, taxation and other regulatory changes. In addition, the market for securities in smaller companies is usually less liquid than that for securities in larger companies, bringing with it potential difficulties in acquiring, valuing and disposing of such securities.
- Whilst it is the intention of each Board that its Company will continue to be managed so as to qualify as a VCT, there can be no guarantee that such status will be maintained. Failure to continue to meet the qualifying requirements could result in that Company's Shareholders losing the tax reliefs available for VCT shares, resulting in adverse tax consequences including, if the holding has not been held for the relevant holding period, a requirement to repay the tax reliefs obtained. Furthermore, should a Company lose its VCT status, dividends and gains arising on the disposal of Shares in that Company would become subject to tax and the Company would also lose their exemption from corporation tax on capital gains.
- If a Shareholder disposes of his or her Shares within five years of issue, he or she will be subject to clawback by HMRC of any income tax reliefs originally claimed.
- If at any time VCT status is lost for a Company, dealings in its Shares will normally be suspended until such time as proposals to continue or to be wound-up have been announced.
- The tax rules, or their interpretation, in relation to an investment in the Companies and/or the rates of tax may change during the life of the Companies and may apply retrospectively.
- Changes in legislation, including those proposed in the Budget Report 2011, the 2011 Autumn Statement, the draft legislation in the 2012 Finance Bill or otherwise, concerning VCTs in general and qualifying holdings and qualifying trades in particular, may limit the number of new qualifying investment opportunities and/or reduce the level of returns which would otherwise have been achievable.
- The current restriction on investment of new monies raised into companies having less than 50 full time employees, and the £2 million cap on the amount of funds that a company can raise from VCTs and Enterprise Investment Schemes within a 12 month period may, in certain cases, limit the ability of a Company to invest the net proceeds of the New Shares issued pursuant to that Company's Offer in new qualifying opportunities.
- A Company will only pay dividends on its Shares to the extent that they have distributable reserves, realised profit and cash available for that purpose. A reduction in income from a Company's investments may adversely affect the dividends payable to its Shareholders. Such a reduction could arise, for example, from lower dividends or lower rates of interest paid on a Company's investments, or lower bank interest rates than are currently available.

LETTER FROM THE CHAIRMEN OF THE OCTOPUS AIM VENTURE CAPITAL TRUSTS (VCTs)

Dear Investor,

We are delighted to offer you this opportunity to make an investment into Octopus AIM VCT and/or Octopus Second AIM VCT through the Octopus AIM Top Up Offers.

It is intended to raise a combined total of £7 million through two top up Offers (up to £4 million for Octopus AIM VCT and up to £3 million for Octopus Second AIM VCT). The investment manager believes that the need for additional capital will increase in the next year or so, not least as banks continue to limit their lending exposure to smaller companies, presenting yet further investment opportunities. Both new and existing investors can apply for New Shares which will rank equally with the existing shares in the relevant VCT from their dates of issue, and the benefits are the same irrespective of previous investment.

The Offers are designed to provide qualifying investors with up to 30% upfront income tax relief, access to mature and diversified portfolios of smaller UK companies and immediate eligibility for an established dividend flow. Existing Shareholders in each VCT will be able to add to their current holding only, if they wish, or spread their new investment across both VCTs. New investors will gain access to established portfolios and have the choice of investing in both, or either, VCT in any proportion.

Each Board believes that there are a number of compelling reasons for investors to consider their Company's Offer, details of which follow this letter.

NEXT STEPS

Investors can choose to subscribe to one or both Top Up Offers. However, as we're only looking to raise a combined total of up to £7 million through these Offers it is likely that they will reach capacity before the end of the tax year (5 April 2012). As such, each VCT will allocate New Shares on a first come, first served basis.

The Application Forms begin on page 14. If you have any questions please contact Octopus on **0800 316 2298** or speak to your financial adviser.

We very much look forward to welcoming applications from new investors and existing Shareholders.

Yours sincerely

Michael Reeve

REASONS TO INVEST

AIM: ONE OF THE WORLD'S LEADING GROWTH MARKETS

When the Alternative Investment Market (AIM) launched in 1995, its ten constituents had a total market value of £82.2 million. By December 2011 it had grown to contain 1,143 companies with a combined market value of £62.2 billion. AIM continues to be an attractive source of financing for innovative, high-quality and growing companies. Many look to list on AIM because it is a well-regulated market with a committed and knowledgeable investor base that helps to foster growth and allows these companies to realise their true potential.

WHY NOW IS A GOOD TIME TO INVEST IN AIM

Despite the current economic uncertainty faced by companies large and small, many of those that are on AIM have continued to grow and make significant progress. Despite this relative success, Octopus believes their fortunes are yet to be reflected fully in their share prices. So, if you're looking to invest in an undervalued, but well-established, segment of the UK stock market AIM looks very attractive.

The investment manager believes that a number of companies will need additional capital in the next year or so, not least as banks continue to limit their lending exposure to smaller companies. They also believe that there will be a steady flow of new issues onto the market this year, many of which will qualify for VCT investment and meet their own investment criteria.

THE TAX BENEFITS ASSOCIATED WITH VCTS

Alongside the potential for significant returns from growing smaller companies, the Octopus AIM VCTs are designed for investors who are seeking following tax benefits:

- Up to 30% income tax relief on the cost of the investment will be available provided the VCT shares are held for at least five years from issue (subject to a maximum VCT investment of £200,000 per tax year and reducing an investor's tax liability to nil). So if you invest £10,000, you're entitled to up to £3,000 off this year's income tax liability.
- VCTs also provide tax-free dividends and tax-free capital gains to qualifying investors, subject to the annual investment limits.

FUND MANAGEMENT FROM AN AWARD-WINNING VCT MANAGEMENT COMPANY

The Octopus AIM VCTs are managed by the Octopus Small Cap team, one of the most experienced teams in the UK small cap sector today. Led by Richard Power, the team works exclusively on small cap mandates, and currently manages more than £250 million on behalf of thousands of investors. Awarded 'VCT Provider of the Year' by Professional Adviser each year since 2006, Octopus currently manages 17 VCTs – more than any other UK fund manager.

“Company results in 2011 reinforced the view that it is possible for small companies to grow profits and dividends, and for good results to produce positive movements in share prices. The fact that upgrades to forecasts have left many of these shares still looking cheap is encouraging for future net asset value growth.”

Richard Power, Head of the Octopus Quoted Small Cap Investment team

THE OFFERS

Octopus AIM VCT plc is seeking to raise up to £4 million under its Offer, before expenses, and Octopus Second AIM VCT plc is seeking to raise up to £3 million under its Offer, before expenses, which in each case is the maximum permitted under the Prospectus Rules without the need to issue a prospectus and avoids the associated costs. Each Company will not issue more than 10% of its issued share capital, this being up to 4,547,079 Octopus AIM VCT plc New Shares and up to 4,229,109 Octopus Second AIM VCT plc New Shares.

TERMS OF THE OFFERS

Each Offer is a separate Offer. If you wish to invest a proportion of your investment in both Companies you will need to fill in two Application forms.

New Shares in each Company will be issued at Offer Prices determined by the following formula:

the most recently announced NAV per Share of the relevant Company at the time of allotment, divided by 0.945 to allow for the issue costs

Where the Share price for a Company has been declared ex-dividend on the London Stock Exchange, the NAV used for pricing under that Company's Offer will be ex-dividend. In respect of each Offer, the NAV per Share will be rounded up to one decimal place and the number of New Shares to be issued will be rounded down to the nearest whole number (fractions of New Shares will not be allotted). Where there is a surplus of funds from Application amounts, these will be returned to Applicants (save where the amount is less than £1 per Company).

If you have subscribed to invest under an Offer which is fully subscribed, you may indicate on the Application Form to have any amount not accepted automatically applied as an Application for the other Offer (if the other Offer is not already fully subscribed).

Each Offer will be closed on the earlier of full subscription or when the relevant Company has reached the maximum number of New Shares that can be allotted as set out above. Each Board reserves the right to close its Company's Offer earlier and to accept Applications and issue New Shares at any time. Shares issued in a Company will rank equally with the existing Shares of that Company from the date of issue.

An Application can only be made for investment in the 2011/2012 tax year.

EXAMPLE

The below is an illustration of the Application allocation and pricing formula for an aggregate investment of £10,000 under the Offers, £5,000 into each Offer (using the most recently published NAVs):

Company	Unaudited NAV as at 23 January 2012 (p)	Offer Price (p)	Allocation of Application (£)	Number of New Shares to be allotted
Octopus AIM VCT plc	83.2	88.1	£5,000	5,675
Octopus Second AIM VCT plc	62.4	66.1	£5,000	7,564

Each Offer Price may vary between allotments by a Company based on the movement in the NAV of its Shares.

The full terms and conditions applicable to the each Offer is set out on pages 11 to 13.

USE OF FUNDS

Octopus continues to see an opportunity to make new investments at attractive valuations. The funds raised will be used to make investments in accordance with the relevant Company's investment policy and the payment for normal running costs. This may include additional investments into existing portfolio companies where Octopus sees that it could lead to a potential increase in NAV.

COSTS OF THE OFFERS

Octopus will receive its normal promoter's fee in respect of each Offer of an amount equal to 5.5% of the amounts raised by each Company. Octopus will, out of this fee, meet all the costs of the relevant Offer (including any up front intermediary commission). Octopus will be responsible for any costs relating to an Offer in excess of this amount. The net proceeds of each Offer (assuming full subscription) will, therefore, be up to £3,780,000 for Octopus AIM VCT plc and up to £2,835,000 for Octopus Second AIM VCT plc.

INTERMEDIARY COMMISSIONS

Introductory commission will be paid to authorised independent financial intermediaries in respect of successful Applications by their clients. These commissions will typically be 2.5% on the amount invested in each Company. The intermediaries may then receive trail commission of 0.5% of the amount invested in each Company which is payable by Octopus for up to nine years from the relevant date of allotments.

Intermediaries may agree to waive all or part of their up front commission in favour of such amount being used to purchase additional New Shares at the same Offer Price as the original subscription. No further fees or commissions will apply to any additional New Shares.

TAX BENEFITS FOR VCT INVESTORS

The following paragraphs apply to the Companies and to persons holding Shares as an investment who are the absolute beneficial owners of such Shares and are resident in the UK. They may not apply to certain classes of persons, such as dealers in securities. The following information is based on current UK law and practice, is subject to changes therein, is given by way of general summary and does not constitute legal or tax advice.

If you are in any doubt about your position, or if you may be subject to tax in a jurisdiction other than the UK, you should consult your financial adviser.

The tax reliefs set out below are available to individuals aged 18 or over who receive new Ordinary Shares under the Offer.

1. Income Tax

1.1 Initial Income Tax relief

An investor, who acquires in the 2011/2012 tax year, VCT shares having a value of up to the annual limit (£200,000 from 6 April 2004) will be entitled to income tax relief at 30 per cent. of the amount invested (subject to such shares being held for five years).

The table below has been prepared for illustrative purposes only and does not form part of the summary of the tax reliefs contained in this section. The table shows how the initial income tax relief available can reduce the effective cost of an investment of £10,000 in a VCT by a qualifying investor subscribing for VCT shares to only £7,000:

	Effective cost	Tax relief
Investor unable to claim any tax reliefs	£10,000	Nil
VCT investor able to claim full 30% income tax relief	£7,000	£3,000

1.2 Dividend relief

An investor, who acquires in the 2011/2012 tax year, VCT shares having a value of up to the annual limit (£200,000) will not be liable to income tax on dividends paid on those shares.

1.3 Purchasers in the market

An individual purchaser of existing VCT shares in the market will be entitled to claim dividend relief (as described in paragraph 1.2 above).

1.4 Disposal of VCT Shares

Relief from income tax on a subscription for VCT shares will be withdrawn if the VCT shares are disposed of (other than between spouses) within five years of issue or if the VCT loses its approval within this period. Dividend relief ceases to be available once the investor ceases to own the VCT shares in respect of which it has been given.

2. Capital Gains Tax

Exemption from capital gains tax on the disposal of VCT shares

A disposal by a shareholder of VCT shares will give rise to neither a chargeable gain nor an allowable loss for the purposes of UK capital gains tax. The relief is limited to the disposal of VCT shares acquired within the annual limit (£200,000 from 6 April 2004) for any tax year.

3. Withdrawal of Approval

If a company, which has been granted approval as a VCT, subsequently fails to comply with the conditions for approval as a VCT, approval may be withdrawn or treated as never having been given. In these circumstances, reliefs from income tax on the initial investment are repayable unless loss of approval occurs more than five years after the issue of the relevant VCT shares.

In addition, relief ceases to be available on any dividend paid in respect of profits or gains in an accounting period ending when VCT status has been lost and any gains on the VCT shares up to the date from which loss of VCT status is treated as taking effect will be exempt, but gains thereafter will be taxable.

OBTAINING INITIAL TAX RELIEFS

Octopus will provide to each investor under the Offers a certificate from each relevant company which the investor may use to claim income tax relief, either by obtaining from HM Revenue & Customs an adjustment to their tax coding under the PAYE system or by waiting until the end of the tax year and using their tax return to claim relief.

SHAREHOLDERS NOT RESIDENT IN THE UK

Shareholders not resident in the UK should seek their own professional advice as to the consequences of making and holding an investment in a VCT as they may be subject to tax in other jurisdictions as well as in the UK.

TAX POSITION OF THE COMPANIES

The Companies each have to satisfy a number of tests to qualify as a venture capital trust. A summary of these tests is set out below.

QUALIFICATION AS A VCT

To qualify as a venture capital trust, a company must be approved as such by HMRC. To obtain such approval it must:

- not be a close company;
- have each class of its ordinary share capital listed on a regulated market;
- derive its income wholly or mainly from shares or securities;
- have at least 70% (by VCT Value) of its investments in shares or securities in qualifying investments, of which 30% must be in eligible shares (70% for funds raised after 5 April 2011);
- have at least 10% (by VCT Value) of each qualifying investment in eligible shares;
- at the time of the relevant investment, not have more than 15% (by VCT Value) of its investments in a single company or group (other than a venture capital trust or a company which would, if its shares were listed, qualify as a venture capital trust); and
- not retain more than 15% of its income derived from shares and securities in any accounting period.

The term 'eligible shares' means shares which carry no preferential rights to voting, dividends and assets on a winding-up and no rights to be redeemed or, for funds raised after 5 April 2011, shares which do not carry any rights to be redeemed or a preferential right to assets on a winding-up or dividends (in respect of the latter, where

the right to the dividend is cumulative or, where the amount or dates of payment of the dividend may be varied by the company, a shareholder or any other person).

QUALIFYING INVESTMENTS

A qualifying investment consists of shares or securities first issued to the venture capital trust (and held by it ever since) by a company satisfying the conditions set out in Chapters 3 and 4 of Part 6 of the Taxes Act and for which not more than £1 million was subscribed in any one tax year (nor more than £1 million in any period of six months straddling two tax years).

The conditions are detailed, but include that the company must be a qualifying company, have gross assets not exceeding £15 million immediately before and £16 million immediately after the investment, apply the money raised for the purposes of a qualifying trade within certain time periods and not be controlled by another company. In certain circumstances, an investment in a company by a venture capital trust can be split into a part which is a qualifying holding and a part which is a non-qualifying holding.

For funds raised after 5 April 2006, the gross assets test was amended to £7 million immediately before and £8 million immediately after investment. In addition, for funds raised after 5 April 2007, to be qualifying holdings, investments must be in companies which have fewer than 50 full-time (equivalent) employees and do not obtain more than £2 million of investment from venture capital trusts (where funds were raised after 5 April 2007) and individuals claiming relief under the enterprise investment scheme in any rolling 12 month period.

Draft legislation to be included in the draft 2012 Finance Bill was announced in December 2011 which, subject to EU State Aid approval being received, will increase the above mentioned limits for new funds raised on or after 6 April 2012. The gross assets test referred to above is proposed to be increased to £15 million immediately before and £16 million immediately after the investment, the number of permitted employees for an investee company is proposed to be increased from 50 to 250 and the amount of investment obtained by companies from venture capital trusts or under the EIS is proposed to be increased to £10 million in any rolling 12 month period. Such revised limits may, however, be lower than these once agreed with the EU and implemented by the Government.

QUALIFYING COMPANIES

A qualifying company must be unquoted, which for venture capital trust purposes includes companies whose shares are traded on PLUS and AIM, and must carry on a qualifying trade. For this purpose certain activities, such as dealing in land or shares or providing financial services, are excluded. The qualifying trade must either be carried on by, or be intended to be carried on by, the qualifying company or by a qualifying subsidiary at the time of the issue of shares or securities to the venture capital trust (and at all times thereafter).

The company must have a permanent establishment in the UK, but need not be UK resident. A company intending to carry on a qualifying trade must begin to trade within two years of the issue of shares or securities to the venture capital trust and continue it thereafter.

A qualifying company may have no subsidiaries other than qualifying subsidiaries, which must, in most cases, be at least 51% owned.

DRAFT 2012 FINANCE BILL

The draft legislation to be included in the Finance Bill 2012 published on 6 December 2011 contains measures to increase some of the size limits applying to investee companies (as detailed above), subject to EU State Aid approval. The draft legislation also contains proposals to remove the annual £1 million limit VCTs can invest in qualifying investments, for certain trades from which feed-in tariffs are derived to be excluded from being qualifying trades, and a disqualifying purpose test designed to exclude companies set up for the purpose of accessing the tax reliefs. It is proposed that these changes should take effect for investments made after 5 April 2012. This follows a consultation document issued in July 2011 which contained proposals to ensure that VCT investments remain appropriately targeted. In addition, for VCT funds raised after 5 April 2012 it is proposed that such funds should be excluded from being used for the acquisition of shares in another company.

TERMS AND CONDITIONS OF THE OFFERS

The following Terms and Conditions apply to each of the Offers. The sections headed Application Procedures on page 14 and page 18 form part of these Terms and Conditions.:

1. The maximum amount to be raised by Octopus AIM VCT plc is £4 million and for Octopus Second AIM VCT plc is £3 million. The maximum number of New Shares to be issued by each Company is as follows: 4,547,079 Octopus AIM VCT New Shares and 4,229,109 Octopus Second AIM VCT plc New Shares.
2. The contract created with each Company by the acceptance of an Application (or any proportion of it) under its Offer will be conditional on acceptance being given by the Receiving Agents and admission of the New Shares allotted in a Company pursuant to its Offer to the Official List (save as otherwise resolved by that Company's Board). Each Board reserves the right to close its respective Company's Offer earlier if fully subscribed or otherwise at its discretion.
3. The right is reserved by each Company to present all cheques and banker's drafts for payment on receipt and to retain share certificates and Application monies pending clearance of successful Applicants' cheques and bankers' drafts. Each Company may treat Applications as valid and binding even if not made in all respects in accordance with the prescribed instructions and each Company may, at their discretion, accept an Application in respect of which payment is not received by that Company. If any Application is not accepted in full or if any contract created by acceptance does not become unconditional, the Application monies or, as the case may be, the balance thereof (save where the amount is less than £1 per Company) will be returned (without interest) by returning each relevant Applicant's cheque or banker's draft or by crossed cheque in favour of the Applicant, through the post at the risk of the person(s) entitled thereto.
4. By completing and delivering an Application Form, you:
 - 4.1 irrevocably offer to subscribe the monetary amount in New Shares in the relevant Company under its Offer the amount specified in your Application Form (or such lesser amount for which your Application is accepted), which shall be used to purchase the New Shares in the relevant Company at an Offer Price determined by dividing the most recently announced NAV per Share of the relevant Company at the time of allotment by 0.945 to allow for issue costs, on the terms of and subject to this document and subject to the Memorandum and Articles of Association of the relevant Company. Where the Share price for a Company has been declared ex-dividend on the London Stock Exchange, the NAV used for pricing under that Company's Offer will be ex-dividend. In respect of each Offer, the NAV per Share will be rounded up to one decimal place and the number of New Shares to be issued will be rounded down to the nearest whole number (fractions of New Shares will not be allotted);
 - 4.2 agree that your Application may not be revoked and that this paragraph shall constitute a collateral contract between you and each Company which will become binding upon despatch by post to, or (in the case of delivery by hand) on receipt by, the Receiving Agents of your Application Form;
 - 4.3 agree and warrant that your cheque or banker's draft may be presented for payment on receipt and will be honoured on first presentation and agree that if it is not so honoured you will not be entitled to receive certificates in respect of the New Shares in each Company allotted to you until you make payment in cleared funds for such New Shares and such payment is accepted by the relevant Company in its absolute discretion (which acceptance shall be on the basis that you indemnify it and the Receiving Agents against all costs, damages, losses, expenses and liabilities arising out of or in connection with the failure of your remittance to be honoured on first presentation) and you agree that, at any time prior to the unconditional acceptance by the relevant Company of such late payment, that Company may (without prejudice to their other rights) rescind the agreement to subscribe such New Shares in the relevant Company and may issue such New Shares in that Company to some other person, in which case you will not be entitled to any payment in respect of such New Shares, other than the refund to you, at your risk, of the proceeds (if any) of the cheque or banker's draft accompanying your Application, without interest;
 - 4.4 agree that, in respect of those New Shares for which your Application is received and is not rejected, your Application may be accepted at the election of the relevant Company either by notification to the London Stock Exchange of the basis of allocation and allotment, or by notification of acceptance thereof to the Receiving Agents;
 - 4.5 agree that any monies refundable to you by a Company may be retained by the Receiving Agents pending clearance of your remittance and any verification of identity which is, or which a Company or the Receiving Agents may consider to be, required for the purposes of the Money Laundering Regulations 2007 and that such monies will not bear interest;
 - 4.6 authorise the Receiving Agents to send share certificates in respect of the number of New Shares for which your Application is accepted and/or a crossed cheque for any monies returnable, by post, without interest, to your address set out in the Application Form and to procure that your name is placed on the register of members of the relevant Company in respect of such New Shares;
 - 4.7 agree that all Applications, acceptances of Applications and contracts resulting therefrom shall be governed in accordance with English law, and that you submit to the jurisdiction of the English courts and agree that nothing shall limit the right of a Company or Octopus to bring any action, suit or proceeding arising out of, or in connection with any such Applications, acceptances of Applications and contracts in any other manner permitted by law or any court of competent jurisdiction;

- 4.8 confirm that, in making such Application, you are not relying on any information or representation in relation to a Company other than the information contained in this document and accordingly you agree that no person responsible solely or jointly for this document, the cover correspondence or any part thereof or involved in the preparation thereof shall have any liability for such information or representation (save for fraudulent misrepresentation or wilful deceit);
 - 4.9 irrevocably authorise the Receiving Agents to do all things necessary to effect registration of any New Shares subscribed by or issued to you into your name and authorise any representative of the Receiving Agents to execute any document required therefor;
 - 4.10 agree that, having had the opportunity to read this document, you shall be deemed to have had notice of all information and statements concerning the Companies and their Offers for New Shares contained therein;
 - 4.11 confirm that you have reviewed the restrictions contained in paragraph 6 below and warrant that you are not a "US Person" as defined in the United States Securities Act of 1933 ("Securities Act") (as amended), nor a resident of Canada and that you are not applying for any Shares with a view to their offer, sale or delivery to or for the benefit of any US Person or a resident of Canada;
 - 4.12 declare that you are an individual aged 18 or over;
 - 4.13 agree that all documents and cheques sent by post to, by or on behalf of either a Company or the Receiving Agents, will be sent at the risk of the person entitled thereto;
 - 4.14 agree, on request by a Company or Octopus, to disclose promptly in writing to Octopus, any information which Octopus may reasonably request in connection with your Application including, without limitation, satisfactory evidence of identity to ensure compliance with the Money Laundering Regulations and authorise each Company or Octopus to disclose any information relating to your Application as that Company or Octopus consider appropriate;
 - 4.15 agree that Octopus will not treat you as its customer by virtue of your Application being accepted or owe you any duties or responsibilities concerning the price of the New Shares pursuant to the Offers or the suitability for you of an investment in New Shares pursuant to the Offers or be responsible to you for providing the protections afforded to its customers;
 - 4.16 where applicable, authorise each Company to make on your behalf any claim to relief from income tax in respect of any dividends paid by that Company;
 - 4.17 declare that the Application Form has been completed to the best of your knowledge;
 - 4.18 undertake that you will notify each Company if you are not or cease to be either a VCT qualifying subscriber or beneficially entitled to the New Shares in that Company;
 - 4.19 declare that a loan has not been made to you or any associate, which would not have been made or not have been made on the same terms, but for you offering to subscribe for, or acquiring, New Shares under each Offer and that such New Shares are being acquired for bona fide commercial purposes and not as part of a scheme or arrangement the main purpose of which is the avoidance of tax; and
 - 4.20 agree that information provided on the Application Form may be provided to the registrars and Receiving Agents to process shareholding details and send notifications to you.
5. No person receiving a copy of this document, covering correspondence or an Application Form in any territory other than the UK, may treat the same as constituting an invitation or offer to him, nor should he in any event use such Application Form unless, in the relevant territory, such an invitation or offer could lawfully be made to him or such Application Form could lawfully be used without contravention of any regulations or other legal requirements. It is the responsibility of any person outside the UK wishing to make an Application to satisfy himself as to full observance of the laws of any relevant territory in connection therewith, including obtaining any requisite governmental or other consents, observing any other formalities requiring to be observed in such territory and paying any issue, transfer or other taxes required to be paid by such territory.
 6. The New Shares have not been and will not be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States of America, its territories or possessions or other areas subject to its jurisdiction (the "USA"). In addition, the New Shares have not been and will not be registered under the United States Investment Company Act of 1940, as amended. Octopus will not be registered under the United States Investment Advisers Act of 1940, as amended. No Application will be accepted if it bears an address in the USA.
 7. Applicants will be bound by re-allocation from one Offer to the Offer as indicated by them on their relevant Application Form and these Terms and Conditions will apply to the Application pursuant to the re-allocation and the Receiving Agent and Company to which the original Application was made is hereby authorised to transfer such funds to the other Company's relevant Application account. The basis of allocation will be determined by the relevant Company's Board (after consultation with Octopus) in their absolute discretion. The right is reserved by each Board to reject in whole or in part and scale down and/or ballot any Application in respect of its Company or any part thereof including, without limitation, Applications in respect of which any verification of identity which that Company or Octopus consider may be required for the purposes of the Money Laundering Regulations has not been satisfactorily supplied. Dealings prior to the issue of certificates for New Shares will be at the risk of Applicants. A person so dealing must recognise the risk that an Application may not have been accepted to the extent anticipated or at all. The right is reserved to treat as valid any Application not complying fully with these Terms and Conditions or not in all respects complying with the relevant Application Procedures on pages 14 and 18. An Offer shall be suspended if (i) the issue of New Shares pursuant to that Offer would result in the relevant Company being required to prepare a prospectus pursuant to the Prospectus Rules of the FSA or (ii) the issue of New Shares by the relevant Company would result in the breach of the Listing Rules of the FSA.
 8. **Money Laundering Regulations**
Investors should be aware of the following requirements in respect of the above law.

Under the Money Laundering Regulations, Octopus is required to check the identity of clients who invest over £10,000. Octopus may therefore undertake an electronic search for the purposes of verifying your identity. To do so Octopus may check the details you supply against your particulars on any database (public or other) to which Octopus has access.

Octopus may also use your details in the future to assist other companies for verification purposes. A record of this search will be retained. If Octopus cannot verify your identity it may ask for a recent, original utility bill and an original HMRC Tax Notification or a copy of your passport certified by a bank, solicitor or accountant from you or a Client Verification Certificate from your IFA.

If within a reasonable period of time following a request for verification of identity, and in any case by no later than 3.00pm on the relevant date of allotment, Octopus has not received evidence satisfactory to it as aforesaid, Octopus, at its absolute discretion, may reject any such Application in which event the remittance submitted in respect of that Application will be returned to the Applicant (without prejudice to the rights of the Companies to undertake proceedings to recover any loss suffered by them as a result of the failure to produce satisfactory evidence of identity).

Your cheque or bankers' draft must be drawn in sterling on an account at a branch (which must be in the United Kingdom, the Channel Islands or the Isle of Man) of a bank which is either a member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited, a member of the Scottish Clearing Banks Committee or the Belfast Clearing Committee or which has arranged for its cheques or bankers' drafts to be cleared through facilities provided for by members of any of those companies or associations and must bear the appropriate sorting code in the top right hand corner. The right is reserved to reject any Application Form in respect of which the cheque or bankers' draft has not been cleared on first presentation.

9. Intermediary Commission

Introductory commission will be paid to authorised independent financial intermediaries in respect of successful Applications by their clients. These commissions will typically be 2.5% on the amount invested in each Company. The intermediaries may then receive trail commission of 0.5% of the amount invested in each Company which is payable by Octopus Investments for up to nine years from the relevant date of allotments.

Intermediaries may agree to waive all or part of their up front commission in favour of such amount being used to purchase additional New Shares at the same Offer Price as the original subscription. No further fees or commissions will apply to any additional New Shares.
