PART I - RISK FACTORS

The risk factors set out below are those which are considered by the Directors to be material to the Proposals and the Companies as at the date of this document and which the Directors believe Shareholders should consider prior to deciding how to cast their votes at the General Meetings but are not the only risks in relation to the Proposals and the Companies. Additional risks and uncertainties relating to the Companies and/or the Proposals that are not currently known to the Directors or that the Directors do not currently consider to be material may also have a material adverse effect on the Companies and the market price of the Shares. Shareholders who are in any doubt about the action they should take should consult their stockbroker, bank manager, solicitor, accountant or other independent financial adviser without delay.

The Offers for each Company are conditional on the approval by Shareholders of Resolutions 1 and 3 to be proposed at that Company's General Meeting. If these Resolutions are not approved, the Offers will be withdrawn and the expected benefits of the Offers will not be realised and the Companies will be responsible for the costs of the Offers.

As envisaged by the investment policies of the Companies, it is intended that risk will be spread by investing in a number of different businesses within different industry sectors. The maximum amount currently permitted to be invested in any one company is limited to 15% of the value of the Companies' portfolios in accordance with the VCT legislation. If the Offers do not proceed and the Companies are not able to raise further funds, this may prevent the Companies from creating a more diversified portfolio of investments and inhibit the Companies from taking advantage of attractive investment opportunities they believe will become available as the UK economy emerges from the current pandemic.

PART II — LETTER FROM THE CHAIRMEN OF THE COMPANIES

20 August 2020

Dear Shareholder,

Recommended Proposals relating to authorities to allot Ordinary Shares whilst disapplying pre-emption rights and the amendment of Octopus AIM 2's Articles

The purpose of this document is to explain the recommended Proposals and to seek Shareholders' approval for the required authorities.

The Offers

In August 2014, December 2015, June 2017, August 2018 and November 2019, the Companies issued prospectuses in connection with linked offers for subscription all of which proved popular, with the Companies raising the sums of £28.8 million, £29.5 million, £39.9 million, £30.0 million and £23 million in aggregate respectively. Given the success of those linked offers, the Boards have decided to offer investors a further chance to invest in the Companies through a further linked offer to raise up to £20 million in total which the Boards and the Manager believe can be invested to continue the progress in the growth in the Companies' NAVs seen in the last few years and the payment by the Companies of tax-free dividends. Should the Offers prove to be successful there will be scope, subject to Directors' approval, to increase the size of the Offers by a further £10 million.

Investors who are existing, or who were previously, shareholders of any Octopus VCT will benefit from the costs of the Offers being reduced by 1.0%. Applicants will receive these reductions in the form of additional New Shares, which will be paid for by the Manager.

Amendment of Octopus AIM 2's Articles

Given the present coronavirus outbreak, the Octopus AIM 2 Board considers it appropriate to obtain the approval of its Shareholders for an amendment to Octopus AIM 2's Articles that will allow a meeting of Octopus AIM 2 to take place, if necessary, at more than one location and by electronic means. The Articles of Octopus AIM already provide for this.

The General Meetings

At the General Meetings, Resolutions will be proposed to give the Directors the authority to allot Ordinary Shares under the Offers and the Companies' dividend reinvestment schemes whilst disapplying pre-emption rights and to amend Octopus AIM 2's Articles. These Resolutions are detailed in Part III of this Circular.

Action to be taken

Before taking any action, you are recommended to read the information set out in Parts III and IV of this document.

Enclosed with this Circular are Forms of Proxy for use at the General Meetings. Please complete and return the Forms of Proxy relating to the relevant General Meeting so that they are received not less than 48 hours (excluding weekends and public holidays) before the relevant General Meeting. As a result Government restrictions on movement and gatherings imposed as a result of the COVID-19 pandemic, Shareholders will not be allowed to attend the General Meetings in person and to minimise this impact the Board actively encourages Shareholders to vote by proxy to indicate how they would wish to vote at the General Meetings. Please see note (a) to the General Meetings on pages 19 and 22.

Recommendation

Given the performance of the Companies to date and the investment opportunities that the Manager believes exist both within their portfolios and to add to them, the Boards believe that further fundraising at this time is important to the ongoing success of the Companies. The Octopus AIM 2 Board also believes that the amendment of Octopus AIM 2's Articles in respect of how general meetings can be held is also important for Octopus AIM 2. The Boards believe that the Proposals are in the best interests of the Shareholders as a whole and recommend to their respective Shareholders to vote in favour of the Resolutions. The Directors have committed to vote in favour of all of the Resolutions in respect of their own beneficial holdings, amounting, in the case of the Octopus AIM Directors, to 0.15 per cent in aggregate of the issued share capital of Octopus AIM and in the case of the Octopus AIM 2 Directors, to 0.24 per cent in aggregate of the issued share capital of Octopus AIM 2.

Yours faithfully

Roger Smith
Chairman of Octopus AIM VCT plc

Yours faithfully

Keith Mullins
Chairman of Octopus AIM VCT 2 plc

PART III – FURTHER DETAILS ON THE PROPOSALS

The approval of the allotment of Ordinary Shares (for both the Offers and the Companies' dividend reinvestment schemes "DRIS"), whilst disapplying pre-emption rights, is required under the CA 2006. The approval of the amendment to Octopus AIM 2's Articles is also required under the CA 2006.

1. Offers for subscription to raise up to £20 million in aggregate by way of an issue of New Shares with an over allotment facility of a further £10 million in aggregate

The Offer by each of the Companies is conditional upon Resolutions numbered 1 and 3 being passed by that Company at its General Meeting, but is not conditional upon the Offer proceeding for the other Company. If the Offers do not become unconditional for one Company, an applicant's subscription will, unless an applicant directs otherwise, be allocated to the other Company. Subject to the Offers becoming unconditional and remaining open for both Companies, applicants may elect that their applications are allocated 100% to either Company or split 60% to Octopus AIM and 40% to Octopus AIM 2 and in default of any election their subscription will be allocated 60% to Octopus AIM and the remaining 40% to Octopus AIM 2, which reflects the two Companies' relative sizes. The maximum that may be raised by Octopus AIM is £18 million. The maximum that may be raised by Octopus AIM 2 is £12 million. As the Companies near capacity one may be fully subscribed earlier than the other. In the event of an applicant's preferred allocation, or the default allocation, not being possible, that part of an applicant's subscription that cannot be allocated to either Company will, unless an Applicant directs otherwise, be allocated to the other Company. If the Offers do not become unconditional for either Company, subscription monies will, unless an Applicant directs otherwise, be allocated to the other Company. There is no minimum that must be raised in order for the Offers to proceed.

Applications have been made to the FCA for the New Shares to be admitted to a premium listing on the Official List and will be made to the London Stock Exchange for the New Shares to be traded on the London Stock Exchange's main market for listed securities. The New Shares will be issued in registered form, will be freely transferable, will be issued in both certificated and uncertificated form and will rank *pari passu* in all respects.

The Offers will open on 20 August 2020. The deadline for receipt of applications for the final allotment in the 2020/21 tax year is 12.00 pm on 5 April 2021 and the deadline for receipt of applications for the final allotment in the 2021/22 tax year is 12.00 pm on 19 August 2021.

Where applications are received for the 2020/21 tax year, New Shares will be issued and allotted on or before 5 April 2021. For applications received for the 2021/22 tax year, New Shares will be issued and allotted on or before 19 August 2021. Admission is expected to commence within 10 Business Days following such allotment.

Share certificates and certificates to enable investors to claim for income tax relief will be posted within 30 business days of allotment of the New Shares. No temporary documents of title will be issued. The dates may be adjusted by the Companies, and details of the new dates will be notified through the Regulatory Information Service.

Resolutions to allot shares in connection with the Offers, whilst disapplying pre-emption rights, are being proposed at the General Meetings, as set out in the notices of the General Meetings at the end of this document.

2. Dividend Reinvestment Schemes

Each of the Companies has adopted a dividend reinvestment scheme. Resolutions to allot Ordinary Shares in connection with the DRIS, whilst disapplying pre-emption rights, are being proposed at the General Meetings, as set out in the notices of the General Meetings at the end of this document.

The terms and conditions of each DRIS can be found on the Companies' website: **octopusinvestments.com/aimvct**. Any shareholder wishing to reinvest their dividends can request a DRIS instruction form by calling Computershare on 0370 703 6325 in respect of Octopus AIM and 0370 703 6326 in respect of Octopus AIM 2. Shareholders can cancel this instruction at any time and receive dividend payments instead of reinvesting dividend payments by way of subscription for new Shares under the DRIS. It is important

to note that there may be a cost to re-issue a dividend payment and so it is important for Shareholders to keep their address and bank details up to date.

3. Amendment of Octopus AIM 2's Articles

The Octopus AIM 2 Board considers it appropriate to obtain the approval of its Shareholders for an amendment to Octopus AIM 2's Articles, for the reasons set out under the heading "Amendment of Octopus AIM 2's Articles" in Part II.

Resolution 4 – Approval of the authority for the Directors to allot Ordinary Shares pursuant to Resolution 2 whilst disapplying pre-emption rights

Resolution 4 is a special resolution and seeks the approval of Shareholders to disapply pre-emption rights in respect of any Ordinary Shares issued under the authority contained in Resolution 2 above. The authority conferred by this Resolution will expire on the date falling 18 months from the date of the passing of this Resolution (unless previously renewed, varied or revoked by the relevant Company in general meeting).

Notes:

- (a) The Board has been closely monitoring the impact of the Coronavirus in the United Kingdom and as a result of the Government restrictions on movement and gatherings imposed as a result of the COVID-19 pandemic, Shareholders will not be allowed to attend the General Meeting in person, which will proceed as set out in this notice with a quorum made up of Shareholders who are Directors. To minimise this impact, the Board actively encourages Shareholders to vote by proxy to indicate how they would wish to vote at the General Meeting.
- (b) A member entitled to attend and vote at the General Meeting ("GM") may appoint one or more proxies to attend and vote on his or her behalf. A proxy need not be a member.
- (c) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, entitlement to attend and vote at the meeting and the number of votes which may be cast thereat will be determined by reference to the Register of Members of the Company at close of business on the day which is two days before the day of the meeting. Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting.
- (d) A form of proxy is enclosed which, to be effective, must be completed and delivered to the Company's registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY or alternatively, you may register your proxy electronically at www.investorcentre.co.uk/eproxy, in each case, so as to be received by no later than 48 hours before the time the General Meeting is scheduled to begin. To vote electronically, you will be asked to provide your Control Number, Shareholder Reference Number and PIN which are detailed on your proxy form. Appointment of a proxy, or any CREST proxy instruction (as described in paragraph (e) below) will not preclude a member from subsequently attending and voting at the meeting should he or she choose to do so. This is the only acceptable means by which proxy instructions may be submitted electronically.
- (e) To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the issuer's agent (ID number 3RA50) not later than 48 hours (excluding non-working days) before the time appointed for holding the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. After this time any change of instructions to a proxy appointed through CREST should be communicated to the proxy by other means. CREST personal members or other CREST sponsored members, and those CREST members who have appointed voting service provider(s) should contact their CREST sponsor or voting service provider(s) for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and system timings please refer to the CREST manual. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- (f) Any person receiving a copy of the Notice as a person nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a 'Nominated Person') should note that the provisions in Notes (a) and (b) above concerning the appointment of a proxy or proxies to attend the meeting in place of a member do not apply to a Nominated Person as only Shareholders have the right to appoint a proxy. However, a Nominated Person may have a right under an agreement between the Nominated Person and the member by whom he or she was nominated to be appointed, or to have someone else appointed, as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the member as to the exercise of voting rights at the meeting.

- (g) Section 319A of the Companies Act 2006 requires the Directors to answer any question raised at the GM which relates to the business of the meeting although no answer need be given (a) if to do so would interfere unduly with the preparation of the meeting or involve disclosure of confidential information; (b) if the answer has already been given on the Company's website; or (c) if it is undesirable in the best interests of the Company or the good order of the meeting.
- (h) Under sections 338 and 338A Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company:
 - (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting, and/or
 - (ii) to include the business to be dealt with at the meeting any matters (other than a proposed resolution) which may be properly included in the business.

A resolution may properly be moved or a matter may properly be included in the business unless:

 - (i) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise);
 - (ii) it is defamatory of any person; or
 - (iii) it is frivolous or vexatious.

Such a request may be in hard copy form or in electronic form, and must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than six weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
- (i) A copy of the notice of General Meeting and the information required by Section 311A Companies Act 2006 is included on the Company's website, www.octopusinvestments.com under Venture Capital Trusts. Copies of the Directors' Letters of Appointment, the Register of Directors' Interests in the Ordinary shares of the Company kept in accordance with the Listing Rules and a copy of the Memorandum and Articles of Association of the Company will be available for inspection at the registered office of the Company during usual business hours on any weekday from the date of this notice until the General Meeting, and at the place of that meeting for at least 15 minutes prior to the commencement of the meeting until its conclusion.
- (j) As at 19 August 2020 (being the last practicable date prior to the publication of this Notice) the Company's issued share capital consists of 132,859,648 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 19 August 2020 are 132,859,648.
- (k) A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, the proxy will vote or abstain from voting at his or her discretion. The proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the General Meeting.
- (l) Except as provided above, members who have general queries about the General Meeting should call the Company Secretary, Octopus Company Secretarial Services Limited, on 020 3142 4957 or write to Octopus Company Secretarial Services Limited, 6th Floor, 33 Holborn, London EC1N 2HT (no other methods of communication will be accepted).

- (f) Any person receiving a copy of the Notice as a person nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a 'Nominated Person') should note that the provisions in Notes (a) and (b) above concerning the appointment of a proxy or proxies to attend the meeting in place of a member do not apply to a Nominated Person as only Shareholders have the right to appoint a proxy. However, a Nominated Person may have a right under an agreement between the Nominated Person and the member by whom he or she was nominated to be appointed, or to have someone else appointed, as a proxy for the meeting. If a Nominated Person

- has no such proxy appointment right or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the member as to the exercise of voting rights at the meeting.
- (g) Section 319A of the Companies Act 2006 requires the Directors to answer any question raised at the GM which relates to the business of the meeting although no answer need be given (a) if to do so would interfere unduly with the preparation of the meeting or involve disclosure of confidential information; (b) if the answer has already been given on the Company's website; or (c) if it is undesirable in the best interests of the Company or the good order of the meeting.
- (h) Under sections 338 and 338A Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company:
- (iii) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting, and/or
 - (iv) to include the business to be dealt with at the meeting any matters (other than a proposed resolution) which may be properly included in the business.
- A resolution may properly be moved or a matter may properly be included in the business unless:
- (iv) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise);
 - (v) it is defamatory of any person; or
 - (vi) it is frivolous or vexatious.
- Such a request may be in hard copy form or in electronic form, and must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than six weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
- (i) A copy of the Notice of General Meeting and the information required by Section 311A Companies Act 2006 is included on the Company's website, www.octopusinvestments.com under Venture Capital Trusts. Copies of the Directors' Letters of Appointment, the Register of Directors' Interests in the Ordinary shares of the Company kept in accordance with the Listing Rules and a copy of the Memorandum and Articles of Association of the Company will be available for inspection at the registered office of the Company during usual business hours on any weekday from the date of this notice until the General Meeting, and at the place of that meeting for at least 15 minutes prior to the commencement of the meeting until its conclusion.
- (j) As at 19 August 2020 (being the last practicable date prior to the publication of this Notice) the Company's issued share capital consists of 120,922,023 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 19 August 2020 are 120,922,023.
- (k) A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, the proxy will vote or abstain from voting at his or her discretion. The proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the General Meeting.
- (l) Except as provided above, members who have general queries about the General Meeting should call the Company Secretary, Octopus Company Secretarial Services Limited, on 020 3142 4957 or write to Octopus Company Secretarial Services Limited, 6th Floor, 33 Holborn, London EC1N 2HT (no other methods of communication will be accepted).
