HANSTONE GOLD

HANSTONE ANNOUNCES ADOPTION OF QUARTERLY REPORTING EXEMPTION

UNDER COORDINATED BLANKET ORDER 51-933

Vancouver, BC, May 7, 2026 – Hanstone Gold Corp. (TSX.V:HANS) (FRA:HGO) (the "**Company**" or "**Hanstone**") announces that it has elected to rely on Coordinated Blanket Order 51-933 *Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers* and move to semi-annual financial reporting ("SAR").

Coordinated Blanket Order 51-933 allows eligible venture issuers listed on the TSX Venture Exchange (the "TSXV") to voluntarily move from a quarterly to a semi-annual financial reporting framework. The Company's fiscal year ends on December 31. Under the SAR pilot program, the Company will be exempt from filing interim financial reports and related Management's Discussion & Analysis for its first and third quarters:

- Interim Period: The Company will not file an interim report for the first quarter (Q1) ending March 31, 2026 or the third quarter (Q3) ending September 30, 2026; and
- Ongoing Reporting: Hanstone will continue to file audited annual financial statements (due within 120 days of December 31, 2026) and six-month interim financial reports (due within 60 days of June 30, 2026).

The Company confirms it meets the pilot program's eligibility criteria, which include being a venture issuer with annual revenues of less than $10 million.

This news release is being filed pursuant to Coordinated Blanket Order 51 - 933 *Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers*.

About Hanstone Gold Corp

Hanstone is a precious and base metals explorer with its current focus on the Doc and Snip North Projects optimally located in the heart of the prolific mineralized area of British Columbia known as the Golden Triangle. The Golden Triangle is an area which hosts numerous producing and past-producing mines and several large deposits that are approaching potential development. The Company holds a 100% interest in the 1,704-hectare Doc Project, and it also owns a 100% interest in the 3,336-hectare Snip North Project, which is subject to an option agreement with Goldrea Resources Corp. as optionee (see Hanstone's news release dated October 2, 2025 for further details). Hanstone has a highly experienced team of industry professionals with a successful track record in the discovery of gold deposits and in developing mineral exploration projects through discovery to production.

Forward Looking Statements Disclaimer

The information contained herein contains "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and "forward-looking information" within the meaning of applicable Canadian securities legislation. "Forward-looking information" includes, but is not limited to, statements with respect to the activities, events, or developments that the Company expects or anticipates will or may occur in the future. Generally, but not always, forward-looking information and statements can be identified using words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes" or the negative connotation thereof or variations of such words and phrases or state that certain actions, events, or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved" or the negative connotation thereof.

Forward-looking information and statements are based on the then current expectations, beliefs, assumptions, estimates and forecasts about Hanstone's business and the industry and markets in which it operates and will operate. Forward-looking information and statements are made based upon numerous assumptions, including among others, the results of planned exploration activities are as anticipated, the price of gold, the cost of planned exploration activities, that financing will be available if needed and on reasonable terms, that third party contractors, equipment, supplies and governmental and other approvals required to conduct Hanstone's planned exploration activities will be available on reasonable terms and in a timely manner and that general business and economic conditions will not change in a material adverse manner. Although the assumptions made by the Company in providing forward-looking information or making forward-looking statements are considered reasonable by management at the time, there can be no assurance that such assumptions will prove to be accurate.
