TSXV:GMIN

G Mining Ventures to Present at BMO Global Metals and Mining Conference

BROSSARD, QC - **G Mining Ventures Corp.** (TSXV: GMIN) ("**GMIN**" or the "**Corporation**") is pleased to announce that company management will be participating in BMO Capital Markets' 31st Global Metals & Mining Conference from February 27 to March 2, 2022, in Hollywood, Florida.

Louis-Pierre Gignac, Chief Executive Officer and President will present on March 2nd and be available for one-on-one meetings throughout the conference. Mr. Gignac will highlight GMIN's recently released robust Feasibility Study results and planned corporate activities including the project financing process, further project optimization opportunities and early works activities leading into the construction decision targeted for H2 2022.

About G Mining Ventures Corp.

G Mining Ventures Corp. (TSXV:GMIN) is a mineral exploration company engaged in the acquisition, exploration and development of precious metal projects. Its flagship asset, the permitted Tocantinzinho Project, is located in Para State, Brazil. Tocantinzinho is an open-pittable gold deposit containing 2.0 million ounces of reserves at 1.3 g/t. The deposit is open at depth, and the underexplored 688km² land package presents additional exploration potential.

Cautionary Statement on Forward-Looking Information

All statements, other than statements of historical fact, contained in this press release constitute "forward-looking information" and "forward-looking statements" within the meaning of certain securities laws and are based on expectations and projections as of the date of this press release. Forward-looking statements contained in this press release include, without limitation, those related to the project's optimization opportunities, the early work activities that will lead to a construction decision for H2 2022, and, more generally, the contents of the above section entitled "About G Mining Ventures Corp."

Forward-looking statements are based on expectations, estimates and projections as of the time of this press release. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the Corporation as of the time of such statements, are inherently subject to significant business, economic and competitive uncertainties and contingencies. These estimates and assumptions may prove to be incorrect. Such assumptions include, without limitation, those used by management with respect to the future price of gold and the relevant foreign exchange rates, and also those underlying the items listed on the above section entitled "About G Mining Ventures Corp."

Many of these uncertainties and contingencies can directly or indirectly affect, and could cause, actual results to differ materially from those expressed or implied in any forward-looking statements. There can be no assurance that, notably but without limitation, the Corporation will make a positive construction decision in H2 2022, or will bring the Project into commercial production, as future events could differ materially what is currently anticipated by the Corporation.

By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that estimates, forecasts, projections and other forward-looking statements will not be achieved or that assumptions do not reflect future experience. Forward-looking statements are provided for the purpose of providing information about management's expectations and plans relating to the future. Readers are cautioned not to place undue reliance on these forward-looking statements as a number of important risk factors and future events could cause the actual outcomes to differ materially from the beliefs, plans, objectives, expectations, anticipations, estimates, assumptions and intentions expressed in such forward-looking statements. All of the forward-looking statements made in this press release are qualified by these cautionary statements and those made in the Corporation's other filings with the securities regulators of Canada including, but not limited to, the cautionary statements made in the relevant section of the Corporation's Management Discussion & Analysis. The Corporation cautions that the foregoing list of factors that may affect future results is not exhaustive, and new, unforeseeable risks may arise from time to time. The Corporation disclaims any intention or obligation to update or revise any forward-looking statements or to explain any material difference between subsequent actual events and such forward-looking statements, except to the extent required by applicable law.
