About Eshbal Functional Food Inc.

Eshbal Functional Food Inc. (TSXV: ESBL) is a publicly traded food-tech company focused on building a scalable platform of gluten-free and health-oriented food brands across retail, food service, and online channels in North America.

Since listing on the TSX Venture Exchange in 2025, the Company has been executing a disciplined brand-focused roll-up strategy targeting established and emerging better-for-you brands with existing market presence and growth potential. Eshbal's model centers on acquiring controlling interests in complementary brands and integrating them into a centralized operating platform designed to enhance distribution reach, improve operational efficiency, and support margin expansion.

Key execution milestones include securing U.S. brokerage representation to expand retail distribution, launching localized North American production in partnership with Queen Street Bakery, completing the acquisition of Gluten Free Nation, and acquiring a majority interest in Dare to Be Different Foods. These transactions expand Eshbal's brand portfolio and provide immediate incremental revenue while strengthening its distribution and production footprint.
