Notice of Annual General Meeting

Dear Shareholder,

I am pleased to be inviting you to the Company's AGM which we are holding at the offices of our legal advisers CMS Cameron McKenna Nabarro Olswang LLP, Cannon Place, 78 Cannon Street, London EC4N 6AF on 18 April 2018 at 10:30 a.m.

If you have elected to receive information from the Company in hard copy, you should have received the Annual Report 2017 already. Shareholders who have not elected to receive hard copy documents can view or download the Annual Report 2017 from our website www.phpgroup.co.uk/investors.

We consider the AGM to be an important opportunity to meet with Shareholders, for you to raise questions and discuss the Company's performance and other important matters with the Board. A map showing the location of the venue and directions can be found on page 15. Tea and coffee will be available from 10:00 a.m. and after the meeting if Shareholders wish to meet with the Directors in a less formal environment.

Resolutions

The formal notice of the AGM is set out on pages 7 to 9 of this document, which sets out the business to be considered at the meeting. Explanatory notes for the Resolutions are provided on pages 10 to 12 of this document and guidance notes for Shareholders wishing to attend the AGM and on the appointment of proxies on pages 13 to 14. The resolutions to be put for your approval at the AGM are similar to those of previous years. I would like to comment on just three.

New and retiring Directors (Resolutions 11 and 12)

First, as announced on 29 January 2018, Dr Ian Rutter and Mark Creedy have indicated their intention to stand down as Directors at the 2018 AGM and, on behalf of the Board, I would like to thank them both for their valuable contribution to the Board's deliberations. I will also be stepping down following the conclusion of the 2018 AGM, after four years as Chairman and now over ten years on the Board. I am very pleased that Steven Owen has been selected by the other members of the Board to be my successor.

We have also announced the appointment of Dr Stephen Kell and Ian Krieger as non-executive directors on 15 February 2018 and as they have been appointed since the last annual general meeting of the Company, in accordance with article 80 of the Articles, they will retire and being eligible, will offer themselves for election by Shareholders. I believe we have a strong Board and that I

and the other retiring Directors will be leaving your Company in very capable hands. Biographical details of all the Directors seeking re-election or election are set out in Appendix 1.

Dividend Policy (Resolution 3)

The Company's policy is to make all of its dividend payments (currently four per annum) as interim dividends. This enables the fourth dividend payment to be made approximately two months earlier than would be the case if that dividend were categorised as a 'final dividend' and therefore have to await Shareholder approval at the annual general meeting, usually held in April. This arrangement is made in the interests of Shareholders, enabling them to benefit from the earlier receipt of the fourth dividend. As we believe it is important for Shareholders to have an opportunity to consider this policy annually, and in accordance with the principles of good corporate governance, a resolution to approve the Company's dividend policy is included as Resolution 3 in the accompanying notice of meeting.

Actions to be taken in respect of the Annual General Meeting

We would welcome you coming to the AGM and voting in person. Whether or not you propose to attend the AGM it is important that, if you would like to vote on the Resolutions but cannot come to the AGM, you complete, sign and return the enclosed Form of Proxy or vote electronically as explained below as soon as possible. The Form of Proxy, which is pre-paid, should be completed, signed and returned in accordance with the instructions printed thereon as soon as possible, but in any event so as to be received, by post or, during normal business hours only, by hand, at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, by no later than 10:30 a.m. on Monday 16 April 2018.

Alternatively, an electronic proxy appointment service is available to lodge your proxy vote electronically by logging on to the website provided by Equiniti at www.sharevote.co.uk or, if you are a member of CREST, via Equiniti (ID number RA19). Equiniti must receive your proxy appointment by no later than 10:30 a.m. on Monday 16 April 2018.

The completion and return of the Form of Proxy or voting electronically will not prevent you from attending and voting at the AGM, or any adjournment of the AGM, in person, should you wish to do so.

Recommendation

The Directors consider that the Resolutions are in the best interests of the Company and are most likely to promote the success of the Company for the benefit of Shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of all the Resolutions, as they intend to do so in respect of their own beneficial holdings.

On behalf of the Board, I look forward to seeing many of you at the meeting and thank you for your continued support.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Alun Jones', with a large, stylized loop at the end.

Important notes regarding your general right to appoint a proxy and voting can be found on pages 13 to 14 of this notice of Annual General Meeting.

EXPLANATORY NOTES TO THE RESOLUTIONS

These notes are intended to explain the business to be transacted at the Annual General Meeting. Resolutions 14 to 17 (inclusive) are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution. All other resolutions are proposed as ordinary resolutions, so that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Accounts (Resolution 1)

By company law the Directors must present to the AGM the Annual Report 2017 for adoption. The Board will welcome any questions and discussion on the Annual Report 2017 at the AGM.

Directors' remuneration report (Resolution 2)

Resolution 2 seeks Shareholders' approval for the directors' remuneration report as contained on pages 34 to 37 of the Annual Report 2017.

This resolution is proposed as an ordinary resolution. The vote is advisory and the Directors' entitlement to remuneration is not conditional on it.

Dividend (Resolution 3)

Resolution 3 is proposed to seek Shareholders' approval of the Company's dividend policy. The Company's policy is to make all of its dividend payments (currently four per year) as interim dividends as explained in the Chairman's letter that accompanies this notice of meeting. The Board considers this policy to be in the best interests of the Company and likely to promote the success of the Company.

At the annual general meeting in 2016, Shareholders approved the renewal of the Directors' authority to offer Shareholders the right to receive Ordinary Shares instead of a cash dividend, otherwise known as a 'scrip dividend'. It is the Directors' intention to offer a scrip dividend alternative in respect of the four interim dividends that are anticipated to be paid in 2018 (the "Scrip Dividend Scheme").

Re-appointment and remuneration of auditors (Resolutions 4 and 5)

Resolution 4 proposes to reappoint Deloitte LLP as auditors of the Company to hold office from the conclusion of the AGM until the conclusion of the next general meeting of the Company at which accounts are laid.

Resolution 5 proposes to authorise the audit committee, for and on behalf of the Directors, to determine the remuneration of the auditors.

Re-election and election of Directors (Resolutions 6 to 12)

In accordance with the recommendations of the UK Corporate Governance Code 2016, all the Directors (other than Alun Jones, Mark Creedy and Dr Ian Rutter who will all stand down at the AGM) have resolved that they will offer themselves for re-election by Shareholders at the AGM. Dr Stephen Kell and Ian Krieger were appointed to the Board since the last AGM and will retire in accordance with article 80 of the Articles and, being eligible, will offer themselves for election by Shareholders at the AGM.

Separate resolutions are being proposed to re-elect or elect each of the Directors standing for re-election or election. Resolutions 6 to 12 are being proposed as ordinary resolutions.

Biographies and further information on all of the Directors seeking election or re-election are set out on pages 5 to 6 of this document and on pages 34 to 37 of the Annual Report 2017. Following the performance evaluation of each Director, the Chairman has confirmed that each of the Directors standing for re-election has been and continues to be effective and continues to demonstrate commitment to their respective roles and makes available the time necessary to perform their duties.

Directors' authority to allot securities (Resolution 13)

Further to the Articles and the provisions of the 2006 Act, the Directors may only allot Ordinary Shares or grant rights over Ordinary Shares if authorised to do so by the Shareholders.

Accordingly, the authority in Resolution 13, paragraph (A) will allow the Directors to allot shares or grant rights to subscribe for, or convert any security into, shares in the Company, up to a maximum nominal amount of £25,873,722, representing approximately one-third of the Company's issued ordinary share capital calculated as at 7 March 2018 (being the latest practicable date prior to publication of this document). The authority in Resolution 13, paragraph (B) will allow the Directors, only in connection with a pre-emptive rights issue, to allot shares or grant rights to subscribe for, or convert any securities into, shares in the Company, up to a maximum nominal amount of £25,873,722 in addition to the nominal amount of any shares allotted or rights granted to subscribe for, or to convert any security into, shares under paragraph (A), together representing approximately two-thirds of the Company's issued ordinary share capital calculated as at 7 March 2018 (being the latest practicable date prior to publication of this document). This is in line with corporate governance guidelines.

This authority will expire at the conclusion of the next AGM of the Company or, if earlier, on the date which is 15 months after the date of the AGM. The Directors intend to renew this authority annually at each AGM of the Company to maintain the flexibility the authority provides. However, the Directors have no present intention of exercising this authority other than pursuant to legally binding obligations to do so, such as in relation to the issue of Ordinary Shares under the Scrip Dividend Scheme and on conversion of the 4.25% Convertible Bonds issued by the Company's subsidiary PHP Finance (Jersey) Limited (the "Bonds").

As at 7 March 2018 (being the latest practicable date prior to the publication of this document), the Company held no Ordinary Shares in treasury and there were £62,000,000 of Bonds outstanding which at the current exercise price would require the issue of 63,589,744 Ordinary Shares were all the holders of Bonds to exercise the right to convert their Bonds into Ordinary Shares at the same time.

Directors' authority to dis-apply pre-emption rights (Resolutions 14 and 15)

Under the 2006 Act, when new shares are proposed to be issued for cash, other than in connection with a company share option plan, they must first be offered to existing Shareholders pro-rata to their percentage holdings at such time, unless Shareholders have waived this right either generally or in respect of a particular issue. The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities without making a pre-emptive offer to existing Shareholders. The purpose of

Resolutions 14 and 15 therefore is to enable Shareholders to waive their pre-emption rights and allow the Directors to allot shares for cash without such shares being first offered to existing Shareholders.

Resolution 14 will, if passed by special resolution, give the Directors authority to allot shares pursuant to the authority granted in Resolution 13 for cash on a non-pre-emptive basis. This authority will permit the Directors to allot shares for cash: (a) in connection with a rights issue or any other pre-emptive offer concerning equity securities, or (b) otherwise than in connection with a rights issue or any other pre-emptive offer for shares in the Company up to a maximum nominal value of £3,881,058, representing approximately 5 per cent. of the Company's issued ordinary share capital as at 7 March 2018 (being the latest practicable date prior to the publication of this document).

For the purposes of Resolution 14, the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

Resolution 15 additionally authorises the Directors to allot new shares (or sell treasury shares) for cash, without the shares being offered first to existing Shareholders, in connection with the financing (or refinancing, if the authority is to be used within six months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment. The authority under Resolution 15 is limited to a nominal value of £3,881,058, representing approximately 5 per cent. of the Company's issued ordinary share capital as at 7 March 2018 (being the latest practicable date prior to the publication of this document).

The Board intends to adhere to the provisions in the Pre-Emption Group's Statement of Principles, as updated in March 2015, and not to allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 16 either in excess of an amount equal to 5 per cent. of the total issued ordinary share capital of the Company (excluding treasury shares) or in excess of an amount equal to 7.5 per cent. of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period, without prior consultation with Shareholders. Adherence to the principles would not preclude issuances under the authority sought under Resolution 15. The provisions of Resolutions 14 and 15 comply with the Share Capital Management Guidelines issued by the Investment Association in July 2016 and the disapplication of pre-emption rights resolutions follow the resolution templates issued by the Pre-Emption Group in May 2016.

The power conferred by Resolutions 14 and 15 will expire at the conclusion of the next AGM of the Company or, if earlier, on the date which is 15 months after the date of the AGM. The Directors intend to renew this authority annually at each AGM of the Company. The Directors have no immediate plans to make use of this authority, other than in connection with the issue of Ordinary Shares under the Scrip Dividend Scheme.

As at 7 March 2018 (being the latest practicable date prior to the publication of this document), the Company did not hold any treasury shares. If the Company were to create treasury shares, for example through the market purchase of its own shares, the subsequent sale of any treasury shares would be counted as equivalent to the issue of new

shares for the purpose of the limitations on the issue of new shares included in Resolutions 14 and 15.

Notice of general meetings, other than annual general meetings (Resolution 16)

Resolution 16 will, if passed, allow the Company to hold general meetings (other than annual general meetings) on 14 clear days' notice. Under the 2006 Act, the minimum notice period for publicly listed company general meetings is 21 clear days, but with an ability for companies to reduce this period to 14 clear days (other than for annual general meetings) provided that certain conditions are met.

The first condition is that the Company offers a facility for members to vote by electronic means. This condition is met if the Company offers a facility allowing members to appoint a proxy by means of a website. The Company provides this facility (please refer to note 4 to the notice of AGM on pages 7 to 9 of this document for details of the Company's arrangements for electronic proxy appointment). The other condition is that there is an annual resolution of Shareholders approving the reduction of the minimum notice period from 21 clear days to 14 clear days.

The Board is proposing Resolution 16 as a special resolution to approve 14 clear days as the minimum period of notice to be given for all general meetings of the Company other than annual general meetings. The approval will be effective until the conclusion of the next annual general meeting of the Company. The shorter notice period will be used in accordance with all relevant corporate governance guidelines applicable at the time. In particular, it will only be used where flexibility is merited by the business of the meeting and is thought to be to the advantage of Shareholders as a whole.

Purchase of own shares (Resolution 17)

Resolution 17 seeks authority for the Company to make market purchases of its own Ordinary Shares and is proposed as a special resolution. If passed, the resolution gives authority for the Company to purchase up to 62,096,932 of its Ordinary Shares, representing approximately 10 per cent. of the Company's issued ordinary share capital as at 7 March 2018 (being the latest practicable date prior to the publication of this document).

The Directors have no present intention of exercising the authority granted by Resolution 17. Ordinary Shares will only be purchased if the Directors consider such purchases to be in the best interests of Shareholders generally and that the purchase can be expected to result in an increase in earnings per Ordinary Share. In addition, the authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels for the Company and its overall financial position.

The Resolution specifies the minimum and maximum prices which may be paid for any Ordinary Shares purchased under this authority. The authority will expire on the earlier of the date which is 15 months after the date of the AGM or the date of the Company's next AGM.

The Company may either cancel any Ordinary Shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them). No dividends are paid on shares in treasury and no voting rights attach to treasury shares. If the Ordinary Shares that the Company buys back under this authority are held in treasury, this would give the Company the ability to re-issue treasury shares quickly and

cost-effectively, providing the Company with additional flexibility in the management of its capital.

As at 7 March 2018 (being the latest practicable date prior to the publication of this document), there are no warrants or options to subscribe for Ordinary Shares that are outstanding.

Political donations and expenditure (Resolution 18)

Part 14 of the 2006 Act, amongst other things, prohibits political donations made by a company and its subsidiaries to EU political parties, to other EU political organisations, to an independent election candidate in the EU or political expenditure incurred by a company of more than £5,000 in any 12 month period, unless they have been authorised to make donations by the company's shareholders.

It is the policy of the Company not to make donations to political parties, other political organisations or independent election candidates and the Directors have no intention of changing that policy.

However, as a result of the wide definition of political organisations under Part 14 of the 2006 Act, normal expenditure (such as expenditure on organisations

concerned with matters of public policy, law reform and representation of the business community) and business activities (such as communicating with the Government and political parties at local, national and European level) might be construed as political expenditure or as a donation to a political party or other political organisation and therefore fall within the restrictions of the 2006 Act.

In order to avoid an inadvertent infringement of the 2006 Act, Resolution 18 will allow the Company and its subsidiaries to make donations to political parties, other political organisations and independent election candidates and to incur political expenditure (as defined in the 2006 Act) up to an aggregate limit of £100,000 in the period beginning with the date of the passing of Resolution 20 and ending with the conclusion of the next AGM of the Company whilst avoiding, because of the uncertainty over the definitions used in the 2006 Act, inadvertent infringement of the 2006 Act. Any political donation made or political expenditure incurred which is in excess of £200 will be disclosed in the Company's annual report and accounts for next year, as required by the 2006 Act. Resolution 18 will not be used to make political donations within the normal meaning of that expression.

GUIDANCE NOTES FOR THE MEETING AND ON APPOINTMENT OF PROXIES

1. **General:** a copy of this notice of Annual General Meeting and other information regarding the Annual General Meeting, required by section 311A of the 2006 Act (including a copy of the Annual Report 2017) is available from the Company's website at www.phpgroup.co.uk. Shareholders who have not elected to receive these documents in printed form may obtain copies by writing to the Company Secretary at the Company's registered office. Shareholders who wish to receive the printed annual report and accounts for future years should write to the Company's registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA.
2. **Entitlement to vote:** under the Articles the holders of Ordinary Shares are entitled to attend the Annual General Meeting and to speak and vote at the Annual General Meeting. Duly appointed proxies are entitled also to attend, speak and vote at the Annual General Meeting.

Only those holders of Ordinary Shares registered in the register of members of the Company as at 6:30 p.m. on Monday 16 April 2018 (or, if the Annual General Meeting is adjourned, 6:30 p.m. on the day that is two days prior to any adjourned meeting) (excluding any part of any day that is not a working day) shall be entitled to attend (either in person or by proxy) and vote at the Annual General Meeting, or any adjourned meeting, in respect of the number of shares registered in their names at that time. Any changes to the register of members after the relevant deadline shall be disregarded in determining the right of any person to attend and vote at the Annual General Meeting or an adjourned meeting.

3. **Entitlement to appoint proxies:** Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the Annual General Meeting. A Shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. If a proxy is submitted without indicating how the proxy should vote on any resolution, the proxy will exercise his or her discretion as to whether and, if so, how to vote. To appoint more than one proxy you may photocopy the Form of Proxy. A proxy need not be a Shareholder of the Company.

The Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this notice of Annual General Meeting. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA

The return of a completed Form of Proxy, or other such instrument or any CREST Proxy Instruction (as described in Note 5 below) will not prevent a Shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

In the case of joint Shareholders, the signature of only one of the joint holders is required on the Form of Proxy but the vote of the first named on the register of members will be accepted to the exclusion of the other joint holders.

4. **Validity of proxies:** to be valid a Form of Proxy or other instrument appointing a proxy must be received by one of the following methods:
 - a. by posting the reply-paid proxy or otherwise by post (in which case postage will be payable) or (during normal business hours only) by hand at Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA;
 - b. in the case of CREST members, by utilising the CREST electronic proxy appointment services in accordance with the procedures set out in note 5 below; or

- c. as an alternative to completing and returning the printed Form of Proxy, you may submit your proxy electronically by accessing the Sharevote website provided by Equiniti Limited. Shareholders may submit an electronic proxy online, using the reference numbers printed on the Form of Proxy, at www.sharevote.co.uk where details of the voting procedures are shown.

IMPORTANT: in any case, the Form of Proxy must be received by or lodged with the Company's Registrars no later than 10:30 a.m. on Monday 16 April 2018 (or, if the Annual General Meeting is adjourned, not later than 48 hours before the time fixed for the adjourned meeting) (excluding any part of any day that is not a working day).

5. **CREST proxy appointment:** CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number RA19) not later than 10:30 a.m. on Monday 16 April 2018 (or, if the Annual General Meeting is adjourned, not later than 48 hours before the time fixed for the adjourned meeting) (excluding any part of any day that is not a working day). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors, or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the CREST Regulations.

6. **Corporate representatives:** any corporation which is a member may by resolution of its directors or other governing body authorise one or more person(s) to act as its

representative who may exercise, on its behalf, all its powers as a member, provided that they do not do so in relation to the same shares. A certified copy of any such resolution must be deposited at the registered office of the Company not less than 48 hours before the time appointed for the Annual General Meeting to be valid (excluding any part of any day that is not a working day).

7. **Nominated persons:** any person to whom this document is sent who is a person nominated under section 146 of the 2006 Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the Shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Shareholder as to the exercise of voting rights.

The statement of the rights of Shareholders in relation to the appointment of proxies at Notes 2, 3, 4, and 5 above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by Shareholders of the Company. If you have been nominated to receive general Shareholder communications directly from the Company, it is important to remember that your main contact in terms of your investment remains the registered Shareholder or custodian or broker who administers the investment on your behalf. Therefore, any changes or queries relating to your personal details and holding (including any administration) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee to deal with matters that are directed to them in error. The only exception to this is where the Company, in exercising one of its powers under the 2006 Act, writes to you directly for a response.

8. **Electronic communication:** please note that the Company takes all reasonable precautions to ensure no viruses are present in any electronic communication it sends out but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommends that the Shareholders subject all messages to virus checking procedures prior to use. Any electronic communication received by the Company, including the lodgement of an electronic proxy form, that is found to contain any virus, will not be accepted.
9. **Voting and voting rights:** as at 5:00 p.m. on 7 March 2018 (being the latest business day prior to the publication of this document), the Company's issued share capital consisted of 620,969,320 Ordinary Shares, carrying one vote each. Therefore, the total number of voting rights in the Company as at 5:00 p.m. on 7 March 2018 was 620,969,320. The website referred to in Note 1 will include information on the number of Ordinary Shares and voting rights.

Voting on the Resolutions will be conducted by way of a poll rather than on a show of hands as this is considered by the Board to reflect the views of Shareholders more accurately. As soon as practicable, following the Annual General Meeting the results of voting at the Annual General Meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each resolution will be announced via a Regulatory Information Service and also placed on the Company's website referred to in Note 1 above.

10. **Right to ask questions:** any Shareholder attending the Annual General Meeting has the right to ask questions. The

Company must cause to be answered any such question relating to the business being dealt with at the Annual General Meeting but no such answer need be given if:

- to do so would interfere unduly with the preparation for the Annual General Meeting or involve the disclosure of confidential information; or
- the answer has already been given on a website in the form of an answer to a question; or
- it is undesirable in the interests of the Company or the good order of the Annual General Meeting that the question be answered.

11. **Audit concerns:** under section 527 of the 2006 Act a Shareholder or Shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the 2006 Act. The Company cannot require the Shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the 2006 Act to publish on a website.

The request may be in hard copy form or in electronic form (stating your name and address and in the case of an electronic communication stating Annual General Meeting in the subject line of the e-mail); either setting out the statement in full or, if supporting a statement sent by another Shareholder, clearly identifying the statement which is being supported; must be authenticated by the person or persons making it; and be received by the Company at least one week before the Annual General Meeting.

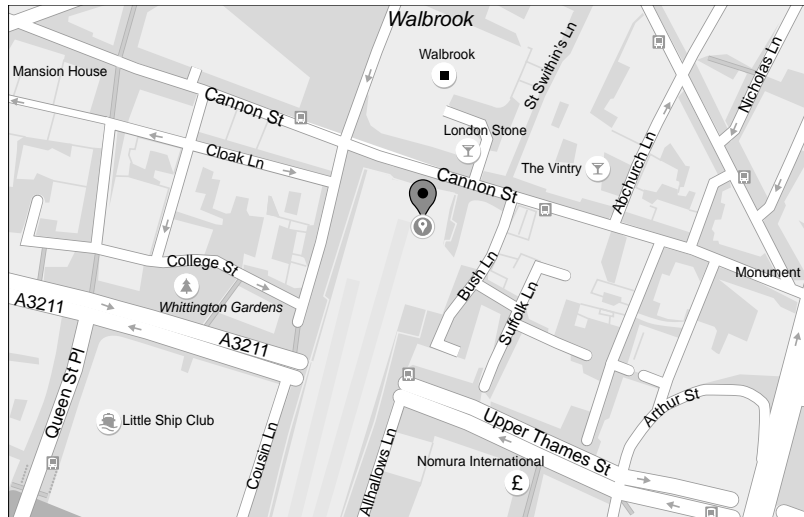

12. **Communication with the Company:** you may not use any electronic address provided either in this notice of Annual General Meeting or any related documents (including the Form of Proxy accompanying this document) to communicate with the Company for any purposes other than those expressly stated. All communication with the Company in relation to the Annual General Meeting should be by writing to Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA or to the Company Secretary at the registered office of the Company set out at the foot of the notice of Annual General Meeting.
13. **Inspection of documents:** copies of the letters of appointment of the non-executive directors of the Company are available for inspection at the registered office of the Company during normal business hours on each weekday (public holidays excepted) from the date of this document until the time of the Annual General Meeting and at the place of the Annual General Meeting (the offices of CMS Cameron McKenna Nabarro Olswang LLP, Cannon Place, 78 Cannon Street, London EC4N 6AF) for at least 15 minutes prior to the start of the Annual General Meeting until the end of the Annual General Meeting.
