Dear Sirs/Mesdames:

Re: Gold Mountain Mining Corp. (the "Company") / Prospectus Supplement – Expert Consent

Reference is made to the Company's prospectus supplement dated April 18, 2022 to a short form base shelf prospectus dated December 8, 2021, including the documents incorporated by reference therein (the "**Prospectus**"). Reference is also made to the following technical report (the "**Technical Report**") which has been prepared by the undersigned and which is indirectly incorporated by reference in the Prospectus:

"National Instrument 43-101 Technical Report – Resource Update of the Elk Gold Project, Merritt, British Columbia Canada", dated of January 21, 2022, and an effective date of December 7, 2021.

The undersigned, a Qualified Person as defined in National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* ("**NI 43-101**"), hereby consents to:

1. being named directly or indirectly in the Prospectus as a Qualified Person under NI 43-101; and
2. the use of the Technical Report and to extracts from or a summary of the Technical Report in the Prospectus or incorporated by reference therein.

The undersigned hereby confirms that:

1. the undersigned has read the Prospectus, including the extracts from or a summary of the Technical Report in the Prospectus or incorporated by reference therein; and
2. the undersigned has no reason to believe that there are any misrepresentations in the information contained in the Prospectus or incorporated by reference therein that is derived from the Technical Report or that is within the undersigned's knowledge as a result of the services performed by the undersigned in connection with the Technical Report.

Dated: April 18, 2022
