HYPER BIT TO PRESENT AT ARCSTONE-KINGSWOOD GROWTH SUMMIT

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR DISSEMINATION IN THE UNITED STATES

VANCOUVER, BRITISH COLUMBIA – SEPTEMBER 11th, 2025 — HYPER BIT TECHNOLOGIES LTD. (CSE: HYPE) (OTC: HYPAF) (FWB: N7S0) (the "Company" or "Hyper Bit") is pleased to announce that it will be presenting at the ArcStone-Kingswood Growth Summit 2025, taking place on September 18th, 2025, at The St. Regis in Toronto, Canada.

The summit, hosted by ArcStone Global Securities and Kingswood U.S., brings together a select group of high-growth companies, institutional allocators, family offices, and retail wealth advisors for a day of corporate presentations, panel discussions, and structured investor meetings.

Dallas La Porta, President & CEO of Hyper Bit Technologies Ltd., commented: "*The ArcStone-Kingswood Growth Summit is an excellent opportunity for Hyper Bit to showcase our growth story directly to investors. We look forward to building new relationships, sharing our progress, and demonstrating how Hyper Bit is positioning itself at the forefront of altcoin mining and the digital asset sector.*"

Mr. La Porta, will present on behalf of the Company. His presentation will highlight Hyper Bit's progress in establishing itself as one of North America's first publicly listed altcoin-focused mining companies, recent milestones including the deployment of ElphaPex DG1+ miners, and the Company's forward plans to expand with next-generation ElphaPex DG2 mining rigs.

The Company views this summit as a strategic opportunity to strengthen its visibility in the U.S. and Canadian capital markets and to deepen relationships with key investors as it advances its mission to become a leading force in altcoin mining and treasury management.

About Hyper Bit Technologies Ltd.

Hyper Bit Technologies Ltd. is a forward-thinking, diversified technology company specializing in the acquisition, development, and strategic deployment of crypto mining operations and blockchain-based innovations. As global interest in digital assets accelerates—driven by the rise of blockchain, decentralized finance (DeFi), and increasing institutional and retail adoption—Hyper Bit is committed to unlocking value across the crypto ecosystem while delivering growth for our stakeholders. Hyper Bit Technologies Ltd. is a member of the Blockchain Association of Canada and the American Blockchain & Cryptocurrency Association.

FORWARD LOOKING STATEMENTS:

This news release includes certain statements that may be deemed "forward-looking statements". All statements in this new release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Forward-looking statements in this news release include, but are not limited to, statements related to the completion of the Offering and the anticipated use of proceeds therefrom. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

No investment is without risk. Crypto currencies are particularly volatile and therefore particularly risky. Companies that are developing technologies and investing in crypto mining can potentially be adversely affected by its inherent volatility. Readers are cautioned to always consult an investment advisor to determine if an opportunity is right for you.
