EdgeTI and Edgewater Team Up for TechConnect World Innovation Conference and Expo 2024

Exhibiting at Booth 429 with business partner Edgewater IT.

ARLINGTON, VA, USA — (Newsfile Corp. – June 11, 2024) -Edge Total Intelligence Inc. (“edgeTI”, “Company”) (TSXV: CTRL) (OTCQB: UNFYF) (FSE: Q5i) a leading provider of real-time digital operations software and Edgewater Federal Solutions (“Edgewater”), a leading Federal systems integrator, are pleased to announce their joint exhibition at the at 2024 TechConnect World Innovation Conference and Expo held June 17th – 19th at National Harbor, MD.

TechConnect World Innovation Conference and Expo connects top applied research and early-stage innovations from universities, labs, and startups with industry end-users and prospectors. The 2024 TechConnect World Innovation event includes the annual SBIR/STTR Innovation Conference, AI TechConnect, and the TechConnect Technical Program - more than 35 world-class technical symposium. Aligned to the conference theme, edgeTI and Edgewater will demonstrate their collective ability to bring information and execution advantage to IT operations, coalition management, cybersecurity operations, and mission planning.

"As a leading conference for technology and innovation, we are thrilled to attend TechConnect World 2024 alongside our partners at edgeTI. We invite all attendees to visit our booth to explore how our data analytics and data science solutions, developed in collaboration with edgeTI, can drive transformative results," states Shaun Poulton, Edgewater's Chief Technology Officer.

edgeTI’s Jacques Jarman, a frequent conference speaker, has been invited to present *“edgeCore - Data Twin solutions drive Actionable Enterprise Decision Making and AI/ML Adoption*” on Monday, 6/17 at 10:30AM.

“Government agencies need the ability to rapidly fuse data into actionable information,” said Jacques Jarman, Chief Revenue Officer edgeTI. “The partnership of Edgewater and edgeTI brings our joint customers subject matter expertise and a proven Data Mesh platform to deliver actionable information at the speed of relevance.”

edgeTI and EdgeWater will be providing in-person discussions and demonstrations of edgeCore™, a leading Digital Twin platform, and other capabilities to attendees in Booth 429.

About Edgewater Federal Solutions, Inc.
Edgewater Federal Solutions, Inc. was founded in 2002 and has a long-standing record of excellence in supporting its federal customers. Edgewater assists over 30 federal and commercial customers with their enterprise IT, cybersecurity, and professional service needs.

Forward-Looking Information and Statements

Certain statements in this news release are forward-looking statements or information for the purposes of applicable Canadian and US securities law. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations, or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations.

The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including but not limited to business, economic and capital market conditions. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the demand for its products, anticipated costs, and the ability to achieve goals. Factors that could cause the actual results to differ materially from those in forward-looking statements include the competition and general economic, and market or business conditions. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The reader is cautioned not to place undue reliance on any forward-looking information.

The forward-looking statements contained in this news release are made as of the date of this news release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
