Arlington, VA, USA--(Newsfile Corp. – February 11, 2026) - **Edge Total Intelligence Inc. (TSXV: CTRL) (OTCQB: UNFYF) (FSE: Q5I)** ("**edgeTI**" or the "**Company**"), a leader in real-time operational intelligence and decision support solutions, and Najad Shield Military Industries Holding Co. ("NSMICO"), the leading company in the field of supply and manufacturing of military and security products in the Kingdom of Saudi Arabia, are pleased to announce a formal partnership to evaluate, demonstrate, and pursue the potential deployment of real-time operational intelligence, digital twin, and decision-support technologies in support of defense, government, and critical infrastructure initiatives across Middle East and Africa.

Subject to applicable laws and future agreements, the companies are responding to increasing interest in the Middle East’s adoption of Industry 4.0, driven by government initiatives (like Saudi Vision 2030, UAE’s Operation 300bn) and mega-projects (NEOM), focusing on AI, IoT, robotics for economic diversification away from oil. According to [IMARC Group](#), Key consumption areas include smart manufacturing, automation, energy efficiency (IoT sensors), and digital transformation in oil & gas, with strong growth projected in sectors like aerospace and advanced manufacturing, supported by significant state-led investment.

ABDULMALIK TARIQ AL-QAHTANI, Chairman of the Board
Najad Shield Military Industries Holding Co stated:

“We are the leading company in the field of supply and manufacturing of military and security products in the Kingdom of Saudi Arabia. We contribute to achieving economic and social development by providing innovative and effective solutions that meet the needs of our customers, while adhering to global quality standards and keeping pace with the latest developments in line with the Kingdom’s Vision 2030.”

JIM BARRETT, Chief Executive Officer and Chair of
Edge Total Intelligence Inc. stated:

“As a United States–based enterprise software company specializing in real-time operational intelligence and Digital Twin of the Organization platforms

for government, defense, and critical infrastructure operations, we dare not ignore the global demand centered around the Kingdom of Saudi Arabia and surrounding Middle East and Northern Africa region. Reaching this agreement, NSMICO gives us the opportunity to accelerate our global endeavors with a true leader in the region.”

EdgeTI is demonstrating at the World Defense Show in Riyadh, Saudi Arabia on Sunday 8 - Thursday 12 February 2026 | Riyadh Exhibition & Convention Center with NSMICO Military Industries Stands (H3-C7.3 and H3-C7.5). In 2024, the World Defense Show hosted 773 exhibitors, welcomed 441 official delegations from 116 countries, attracted 106,000 trade visitors, and facilitated 26 billion Saudi Riyals in deals.
