About Tiny

Tiny acquires businesses using a founder-friendly approach, while focusing on valuation, recurring revenues, and free cash flow potential. The Company expects to hold businesses for the long-term, with a parent-level focus on capital allocation, collaborative management and operations, and incentive structures within the operating companies to drive results for Tiny and its shareholders.

Tiny currently has three principle reporting segments: Digital Services, which help some of the world's top companies design, build and ship amazing products and services; Software and Apps, which is home to leading applications and themes powering forward-thinking merchants worldwide, primarily in the Shopify ecosystem; and Creative Platform, which is composed primarily of Dribbble, the social network for designers and digital creatives, as well as Creative Market, a premier online marketplace for digital assets such as fonts, graphics and templates.
