INFORMATION CIRCULAR

as at June 22, 2020 *(except as otherwise indicated)*

This Information Circular is furnished in connection with the solicitation of proxies by the management of Turmalina Metals Corp. for use at the annual general meeting (the “Meeting”) of its shareholders to be held on July 29, 2020 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “we” and “our” refer to Turmalina Metals Corp. “Common Shares” means common shares in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by choosing one of the following methods:

- (a) complete, date and sign the enclosed form of proxy and return it to the Company's transfer agent, Odyssey Trust Company ("Odyssey"), by fax from both inside and outside North America at 1-800-517-4553, or by mail or by hand to the Suite 323, 409 Granville Street, Vancouver, BC V6C 1T2; or
- (b) use a touch-tone phone to transmit voting choices to the toll-free number given in the proxy. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the proxy access number; or
- (c) log onto Odyssey's website at <http://odysseytrust.com/Transfer-Agent/Login> and click on "VOTE". Registered Shareholders must follow the instructions provided on the website and refer to the enclosed proxy form for the holder's account number and the proxy access number.

In either case you must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Company's board of directors (the "Board") at its discretion without notice. **Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the Scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the Scrutineer before the Meeting and inform them that your previously submitted proxy is revoked and that you personally will vote your Common Shares at the Meeting.**

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States of America (the "U.S." or the "United States") the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for "*Objecting Beneficial Owners*") and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for "*Non-Objecting Beneficial Owners*").

These securityholder materials are sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“Broadridge”) in Canada and in the United States. Broadridge mails a Voting Instruction Form (“VIF”) in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), different from the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right insert the name of your desired representative (which may be you) in the blank space provided in the VIF. Once you have completed and signed your VIF return it to Broadridge by mail or facsimile, or deliver your voting instructions to Broadridge by phone or via the internet, in accordance with Broadridge’s instructions. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it must be completed and returned to Broadridge, in accordance with Broadridge’s instructions, well in advance of the Meeting in order to: (a) have your Common Shares voted at the Meeting as per your instructions; or (b) have an alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or duly authorized attorney, and by delivering the proxy bearing a later date to Odyssey or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P.O. Box

11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or

- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, as further described below.

Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

The Advance Notice Provision also requires all proposed director nominees to deliver a written representation and agreement that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director.

CORPORATE GOVERNANCE

General

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101") requires issuers to disclose their corporate governance practices and National Policy 58-201 – *Corporate Governance Guidelines* ("NP 58-201") provides guidance on corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the company's shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the Board's opinion, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board facilitates its independent supervision over management of the Company through frequent meetings of the Board at which members of management or non-independent directors are not in attendance and by retaining independent consultants where it deems necessary.

Management is delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and

approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its Audit Committee, the Board examines the effectiveness of the Company's internal control processes and management information systems. The Board reviews executive compensation and approves stock option grants based on recommendations from the Compensation Committee.

The independent members of the Board are Mark Eaton and Miguel Inchaustegui. Rohan Wolfe, Bryan Slusarchuk and Francisco Azevedo are not independent as they are officers of the Company.

Directorships

Certain members of the Board are currently serving on boards of directors of other reporting companies (or equivalent) as set out below:

Name of Director	Name of Reporting Issuer	Exchange
Mark Eaton	Belo Sun Mining Corp.	TSX
	K92 Mining Inc.	TSX-V
Bryan Slusarchuk	Fosterville South Exploration Ltd.	TSX-V
	Southern Empire Resources Corp.	TSX-V

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board acting through its Compensation Committee determines compensation for the directors and the procedures for this determination are described under Statement of Executive Compensation below. With respect to compensation paid to the Chief Executive Officer, please refer to Statement of Executive Compensation below.

Other Board Committees

In addition to the Audit Committee, the board also has a Compensation Committee.

Compensation Committee

The Board has established a Compensation Committee consisting of Bryan Slursarchuk, Miguel Inchaustegui (Chair), and Mark Eaton. The recommendations of the Committee are considered by the Board in determining compensation for the directors, the CEO and other senior executives and consultants.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the Audit Committee on an ongoing basis.

Stock Options and Other Compensation Securities

Share Option Plan

Option Plan"). The principal purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the directors, employees and consultants of the Company and of its subsidiaries or affiliates, if any, by providing them with the opportunity, through options, to acquire Shares in the share capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

The Stock Option Plan provides that the aggregate number of securities reserved for issuance will be 10% of the number of common shares of the Company issued and outstanding from time to time.

The Stock Option Plan is administered by the Board of Directors of the Company, which has full and final authority with respect to the granting of all options thereunder.

Options may be granted under the Stock Option Plan to such service providers of the Company and its affiliates, if any, as the Board of Directors may from time to time designate. The exercise prices will be

determined by the Board of Directors, but will, in no event, be less than the closing market price of Common Shares on (a) the trading day prior to the date of grant of the stock options; and (b) the date of grant of the stock options. All options granted under the Stock Option Plan will expire not later than the date that is ten years from the date that such options are granted. Options granted under the Stock Option Plan are not transferable or assignable other than by testamentary instrument or pursuant to the laws of succession.

As at June 22, 2020 there were 4,225,000 options outstanding under the Plan. As at June 22, 2020 there were 62,957,950 issued and outstanding Common Shares and accordingly, there are a further 2,070,795 Common Shares available for reserve for grant of options. At the December 31, 2019 financial year end there were 4,225,000 options outstanding pursuant to the Plan.

The Board is of the view that the Plan permits the Company to attract and maintain the services of executives, employees and other service providers with other companies in the industry, and therefore will seek shareholder approval at the Meeting for continuation of the Plan.

Material Terms of the Plan

The following is a summary of the material terms of the Plan:

- (a) Persons who are Service Providers to the Company or its affiliates, or who are providing services to the Company or its affiliates, are eligible to receive grants of options under the Plan;
- (b) Options granted under the Plan are non-assignable, and non-transferable;
- (c) For options granted to Service Providers, the Company must ensure that the proposed Optionee is a bona fide Service Provider of the Company or its affiliates;
- (d) An option granted to any Service Provider will expire within 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (e) If an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) In the case of an Optionee being dismissed from employment or service for cause, such Optionee's options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (g) The exercise price of each option will be set by the Board on the effective date of the option and will not be less than the Discounted Market Price (as defined in the Plan);
- (h) Vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period; and

- (i) The Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan.

Oversight and Description of Director and Named Executive Officer Compensation

Elements of the Compensation Program

The responsibilities relating to executive and director compensation, including reviewing and determining compensation of the Company's officers and employees and overseeing the Company's base compensation structure and equity-based compensation program is performed by the Board as a whole based on recommendations from the Compensation Committee. The Compensation Committee assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company's senior management. The Compensation Committee generally reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity and the performance of officers generally and in light of the Company's goals and objectives.

The Company is a small junior resource company with limited resources. The compensation for executives and senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including: (a) attracting and retaining talented, qualified and effective executives; (b) motivating the short and long-term performance of executives; and (c) better aligning the interests of executive officers with those of the Company's shareholders. In the Board's view, paying salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on comparable companies is compiled from a variety of sources, including national and international publications.

The Board determines compensation of the Company's executives based on recommendations from the Compensation Committee. In each case, the Compensation Committee takes into consideration the prior experience of the executive, industry standards, competitive salary information on comparable companies of similar size and stage of development, the degree of responsibility and participation of the executive in the day-to-day affairs of the Company, and the Company's available cash resources.

In the Board's view, to attract and retain qualified and effective executives, the Company must pay base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates.

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as

compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan which the Company has in place is the share option plan (the “Plan”) which was approved by the Board on May 15, 2019. The Plan has been established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the Board of the Company. The Plan provides that options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Plan provides that the number of Common Shares issuable under the Plan, together with all of the Company's other previously established or proposed share compensation arrangements, may not exceed 10% of the total number of issued and outstanding Common Shares. All options expire on a date not later than 10 years after the date of grant of such option.
