Re: Topaz Energy Corp. (the “Corporation”)

We refer to the short form prospectus of the above Corporation dated September 10, 2021 relating to the offer and sale of common shares of the Corporation.

We, KPMG LLP, consent to be named and to the use, through incorporation by reference in the above-mentioned short form prospectus, of our report dated March 17, 2021 to the shareholders of the Corporation on the following financial statements:

Statements of financial position as at December 31, 2020 and December 31, 2019,
Statements of net income and comprehensive income, changes in shareholders' equity and cash flows for the years then ended, and
notes to the financial statements, including a summary of significant accounting policies.

We report that we have read the short form prospectus and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the financial statements upon which we have reported or that are within our knowledge as a result of our audit of such financial statements. We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the prospectus as these terms are described in the CPA Canada Handbook – Assurance.

Yours very truly,

A handwritten signature in blue ink that reads 'KPMG LLP'.
